Lahontan Dam

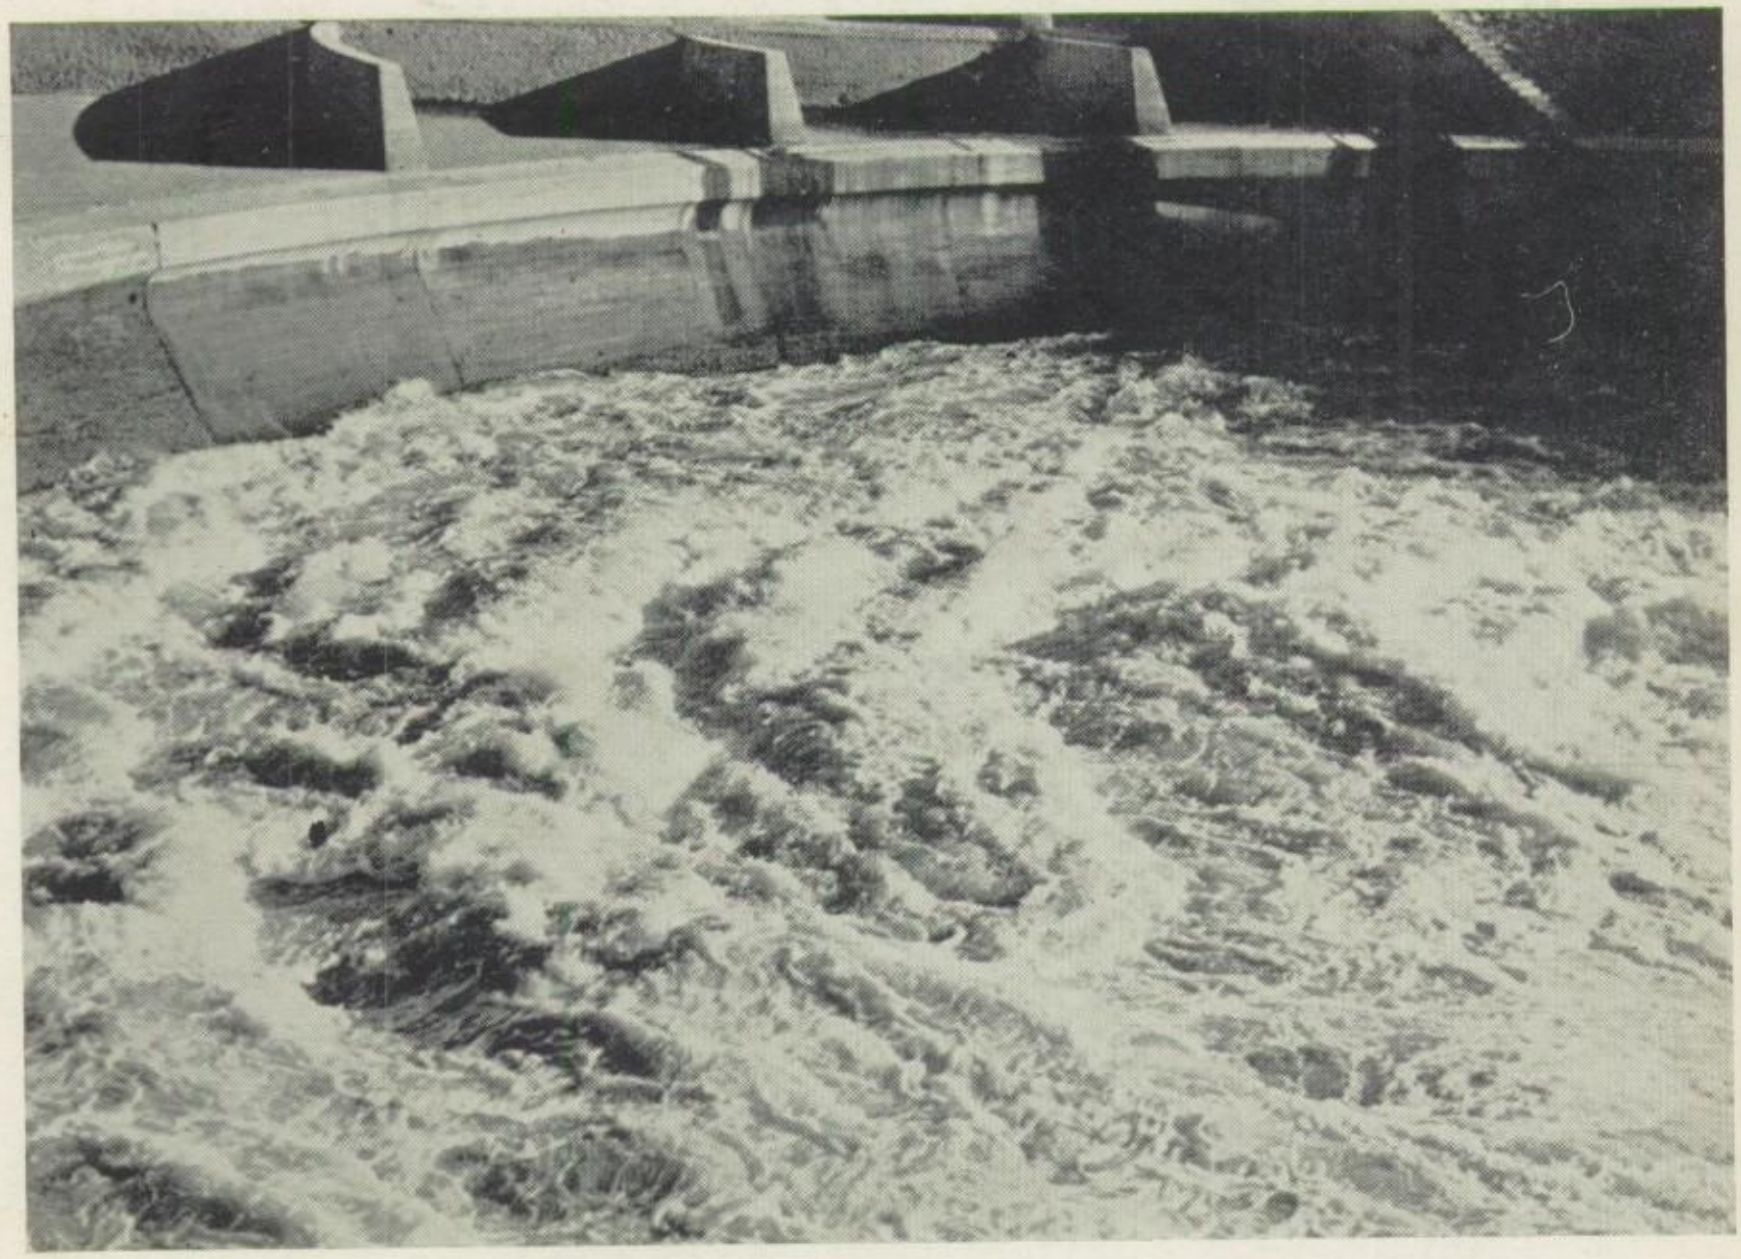
THE KEYNOTE of the Newlands Project is the Lahontan dam. It furnishes all of the electric power, and all of the water for irrigation purposes in the lower valley. The dam was built in 1911 and since then the Newlands Project has become one of the most fertile and productive regions in the state. The many farms in the valley produce alfalfa with which to feed many beef cattle during the winter. Many turkeys and chickens are raised to be shipped out of the state, and many sheep and fine dairy stock are found in the community. The electric power generated by the Lahontan power house serves many homes and business places not only in the Fallon district, but also other towns in the state.

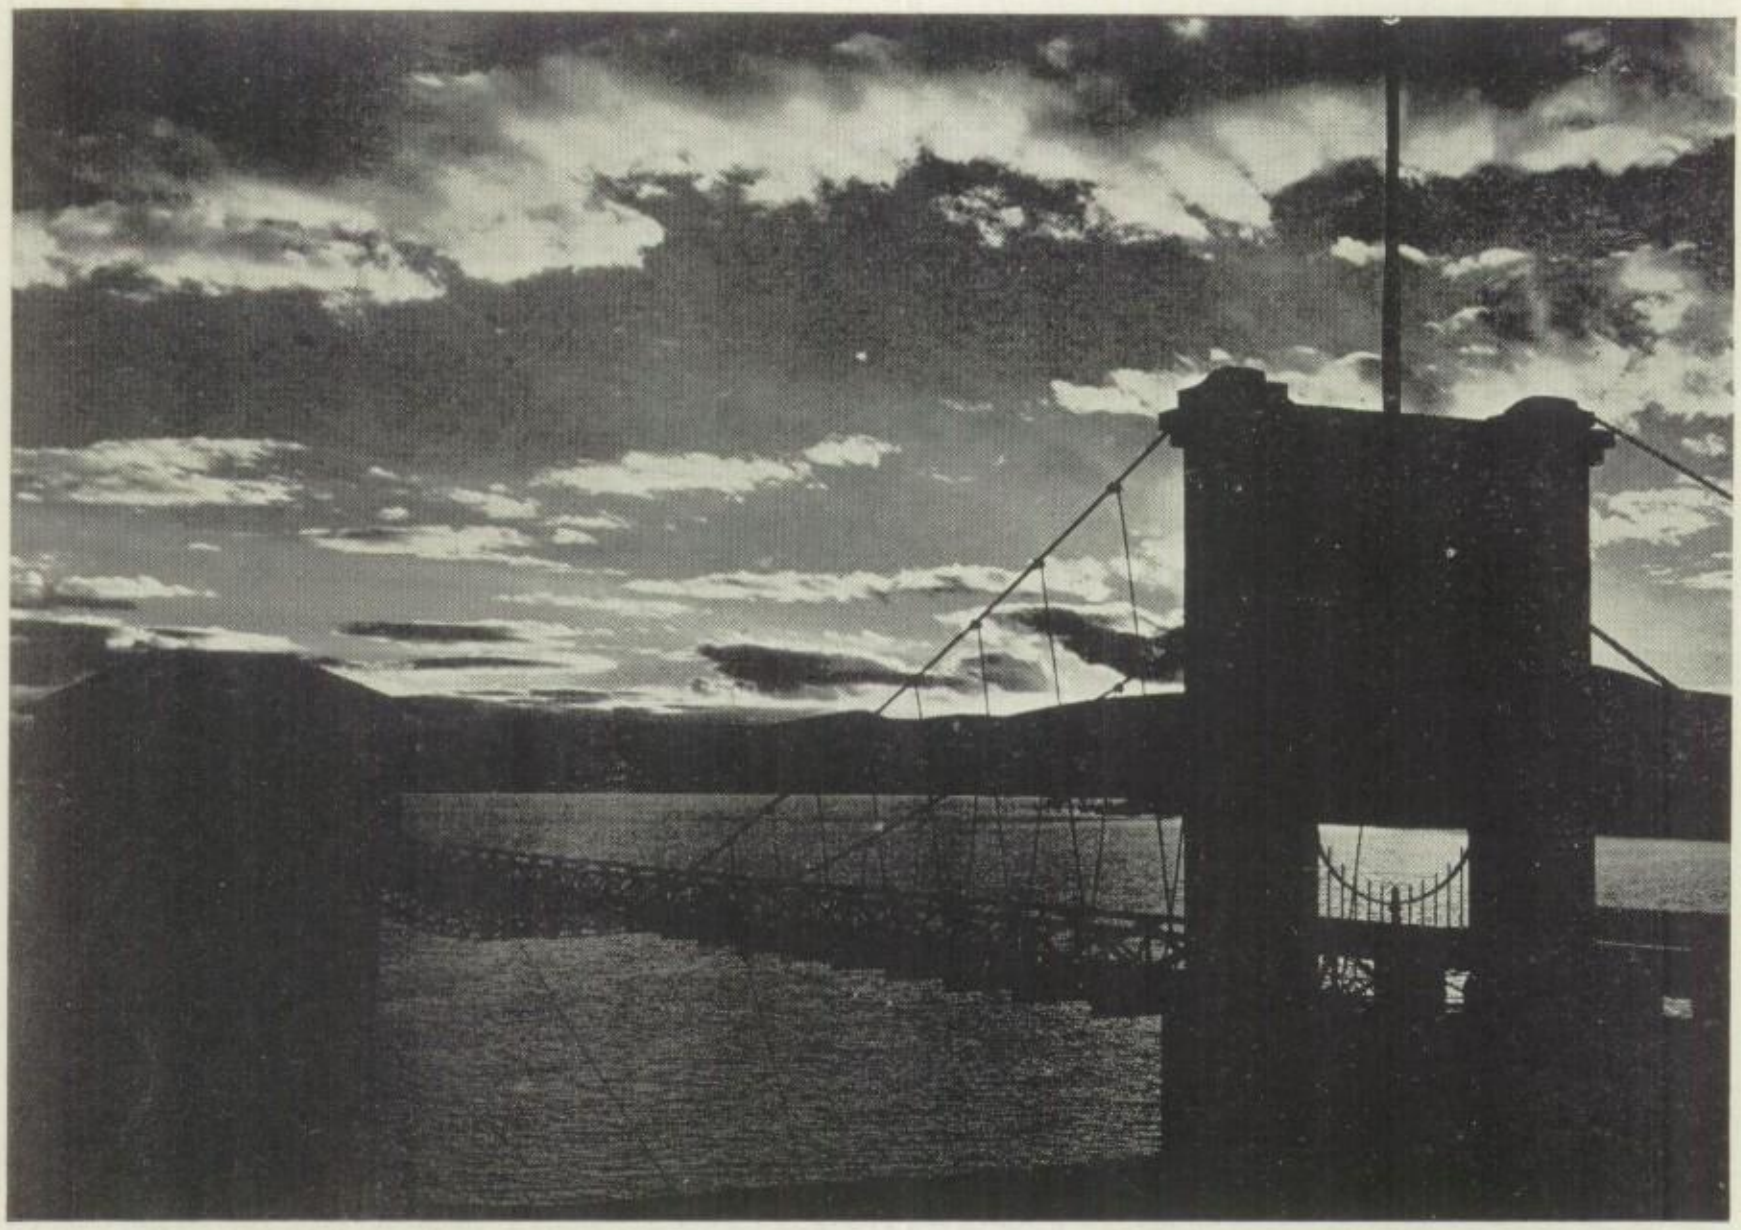
1938 Lahontan

Published Annually by Students of

Churchill County High School

Fallon, Nevada





Foreword

THE ANNUAL STAFF has spent much time endeavoring to present to you an annual which will show the school life in its true aspect. With pride we offer the 1938 Lahontan as a candid pictorial of Churchill County High.

DEDICATION

TO L. C. SCHANK, agricultural advisor, helper, friend, is this year book of the class of June, 1938, dedicated with mingled feelings of gratitude and affection.

IN MEMORIAM

TO A BY-GONE FRIEND

A truer friend was never had,
Her brilliant smile would make one glad;
Her tender voice spread joy around,
Few will forget that prolonged sound.

We miss her dear familiar form,
We miss her smiling face;
But all too soon she left this world
To find a better place.

Principal's Message

Graduates:

FOUR YEARS of opportunity are about to draw to a close. High school days will soon be only a memory. The old halls will resound with the last bell; the final class will be summoned. You step out into a world of uncertainty as well equipped as a modern high school can make you. Some of you will go on into the higher culture of the university; others will face very shortly the stern realities of life and the responsibilities of citizenship. Only the determination to succeed will carry you through. To all of you I say, "Keep your chin up." So order your lives that you can look the whole world squarely in the eye and say, "I have no fear."

Honesty, industry, clean living, clean thinking — these are the things to cultivate. Some one has said that success depends upon the proper functioning of the glands of the human body. May I add—especially the sweat glands. True success is not achieved without hard labor—lots of it. Time is precious. Do not waste it. The years which stretch out before you are all too short. Chart your course, trim your sails, and weigh anchor.

Your nation, your state, your community have all dealt generously with you. Be generous also to them. Remember your debt to society, and when service installments come due, pay them and like it. Goodbye, Seniors, and — good luck!

George E. McCracken

Board of Trustees

THE BOARD OF TRUSTEES is the power behind the high school. It is composed of Mr. Francis Harrigan, president; Mrs. H. W. Sawyer, secretary, and Mr. W. H. Williams, member. This board has been very generous in alloting vacations to the school and in doing everything to make the school more modern and pleasant. The whole student body appreciates what the board has done for it.

Student Body Officers

BILL PRUDLER, one of the most popular young men in school and one of the most active members, ranks among the finest student executives the school has ever had. Last year he won the state F.F.A. public speaking contest. For four years he has been a strong football man, active in Forum and this year a member of the debate squad.

Since his first appearance, "Buddy" Lloyd Danielson has been one of the best liked boys in school. Although he didn't have a chance to exercise his authority as vice president much, he has brought plenty of honor to the school. A booster of the band from its infancy, he has contributed to its progress and has made many a high school entertainment more enjoyable by his readiness to play his trumpet. Students like Buddy make a good school.

Ernestine Saunders' winning smile is but one of the pleasant things about her. She has been an active member of the student body since her first year here. A supporter of the Glee Club, an active member of the High View Staff, an all-around good sport is Ernestine.

Through her little lilting manner of presentation, Barbara Paul has made her treasurer's report one of the most lively features of student body meetings. An active member of the executive committee, Barbara has always been a leader of good things for the school. She gave up her own pleasure in football and basketball games to supervise ticket sales.

Top Row—George E. McCracken, Faculty Advisor; Bill Prudler, Student Body President; Lloyd Danielson, Student Body Vice President; Ernestine Saunders, Student Body Secretary;; Barbara Paul, Student Body Treasurer; Harriet Knobloch, Annual Editor.

Bottom Row—Bill Lattin, Business Manager; Norman Toft, Post-Graduate President; Ray Sorensen, Senior President; Carolyn Corn, Junior President; Dick Miles, Sophomore President; Warren Hursh, Freshman President.

Executive Committee

THE GUIDING POWER of the school is vested in its executive committee. It has the duties of planning the parties, the sale of all tickets to the various athletic functions, the responsibility of all assemblies, and the general smooth running of the school. Mr. McCracken is the faculty advisor and Bill Prudler, the student body president, handles all of the meetings. The executive committee is composed of the student body president, vice president, secretary, treasurer, annual editor, business manager, post-graduate president, senior president, junior president, sophomore president, and freshman president.

Members this year are: William Prudler, student body president; Lloyd Danielson, vice president; Ernestine Saunders, secretary; Barbara Paul, treasurer; Harriet Knobloch, annual editor; Bill Lattin, business manager; Norman Toft, post-graduate president; Ray Sorensen, senior president; Carolyn Corn, junior president; Dick Miles, sophomore president; Warren Hursh, freshman president.

School Song

Cheer for old Fallon, Fallon must win;
Fight to the finish, Never give in;
You do your best, Boys, We'll do the rest, Boys,
Fight for the Victory.
RAH! RAH! RAH!

Upper Classmen

HERMAN SHOFFNER
Vice President

ALICE KOLHOSS
Secretary

JUNIOR BRIMHALL
Treasurer

RAY SORENSEN
President

Senior Officers

RAY SORENSEN, president, is one of the most active members of the various organizations in the school. This year he is president of the F.F.A. and winner of the public speaking contest at the state convention. He not only plays in the band, but has entertained the student body with piano and harmonica solos during the year.

Herman Shoffner, vice president, is a scholar in the true sense of the word. He established himself at the head of his class as a freshman and has remained there ever since. He is a member of Forum and though small in size never hesitates to speak his piece on any subject.

Junior Brimhall, treasurer, is a member of the Fallon chapter of F.F.A. and a loyal member of the student body. He has taken part in all activities in which he was needed and has done his part in making this a successful year.

Alice Kolhoss, secretary, is an active member of the Fireside Circle and also of Forum. She has served on various senior committees and has worked hard to put every worthy cause over.

Junior Class

CAROLYN CORN, president of the junior class, is the honorary drum majoress of the high school band, and booster of every worthy cause. She has been an active member of Forum, and a class officer two years, which is good proof that she is one of the most popular girls in Churchill County High School.

Anna Piazza is vice president of the junior class. A smile for everyone is the motto of this jolly officer. She is a girl who has backed the school in every one of its activities and worked hard. She has played on her school basketball team, rooted for her football team, been an officer of Forum and also one of the leaders when it came to putting anything over for the good of the school.

Hazel Prudler, secretary of the junior class, is one of the more quiet and reserved girls who work harder and do more than they are ever given credit for. She has been active in her commercial studies and an active member of the Glee Club.

Betty Woodward, treasurer of the junior class, is a good student in the true sense of the word. She has played on the Churchill County High School basketball team each year since she came here as a transfer. She is an active member of Alpha Lambda and has made herself one of the more popular girls in the school because of her winning ways, and pleasing personality.

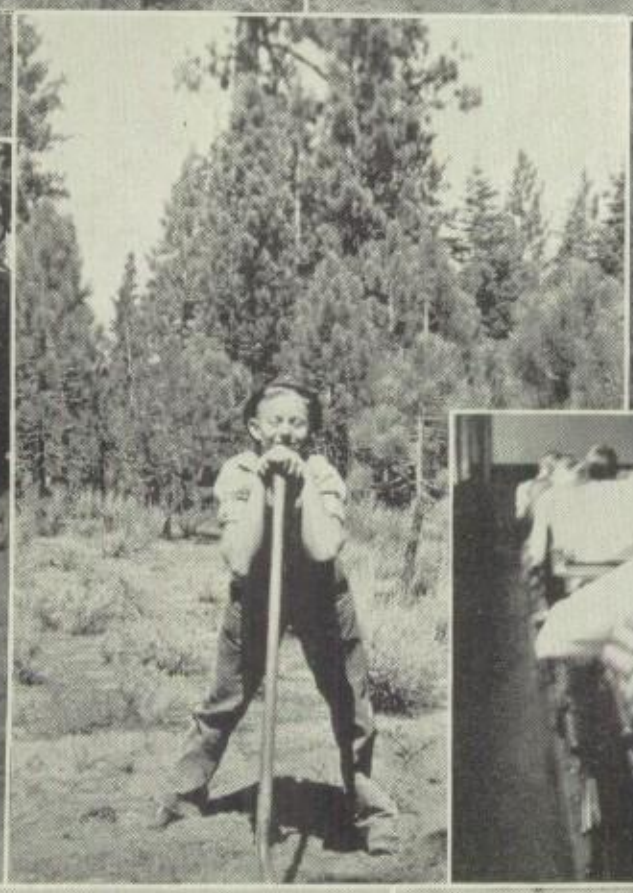
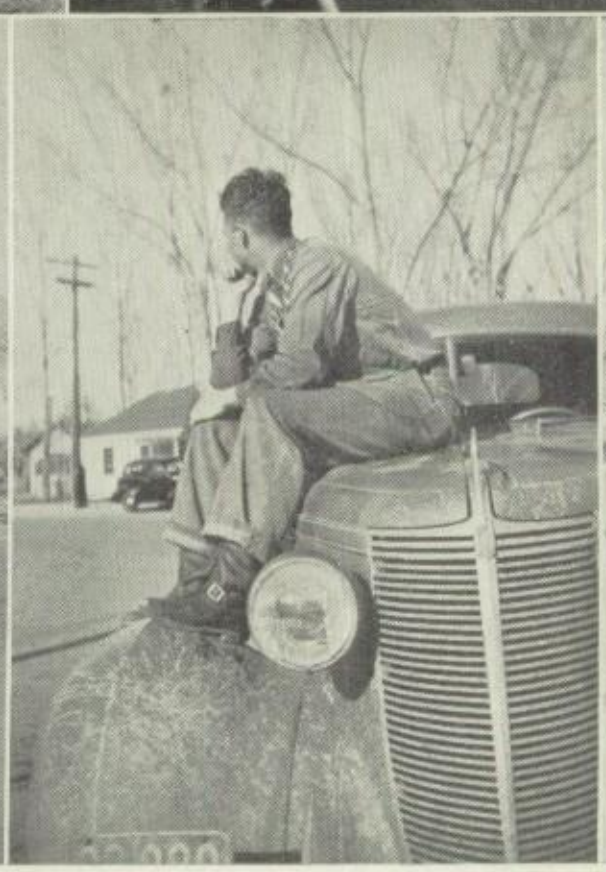
Post-Graduates

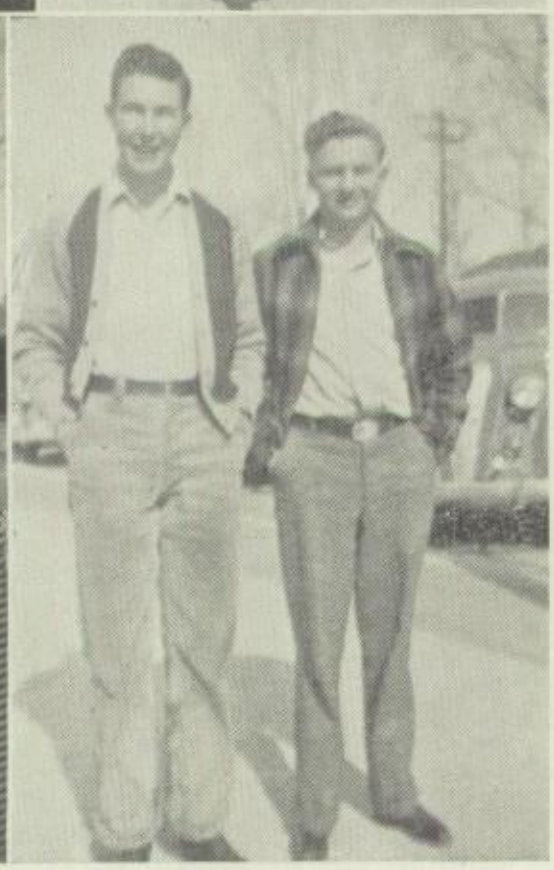
A YEAR AGO the class bid farewell to the Churchill County High School. With our diplomas in our possession, we felt as though we had the world at our feet.

However, at the beginning of a new school year we found five classmates numbered among the registering students. During the course of the year three of our number dropped out to accept positions in the community. The two who remained greet the close of another year, wiser and happier, satisfied that we are better fitted after this year of school to take our place in the world than we would have been without it.

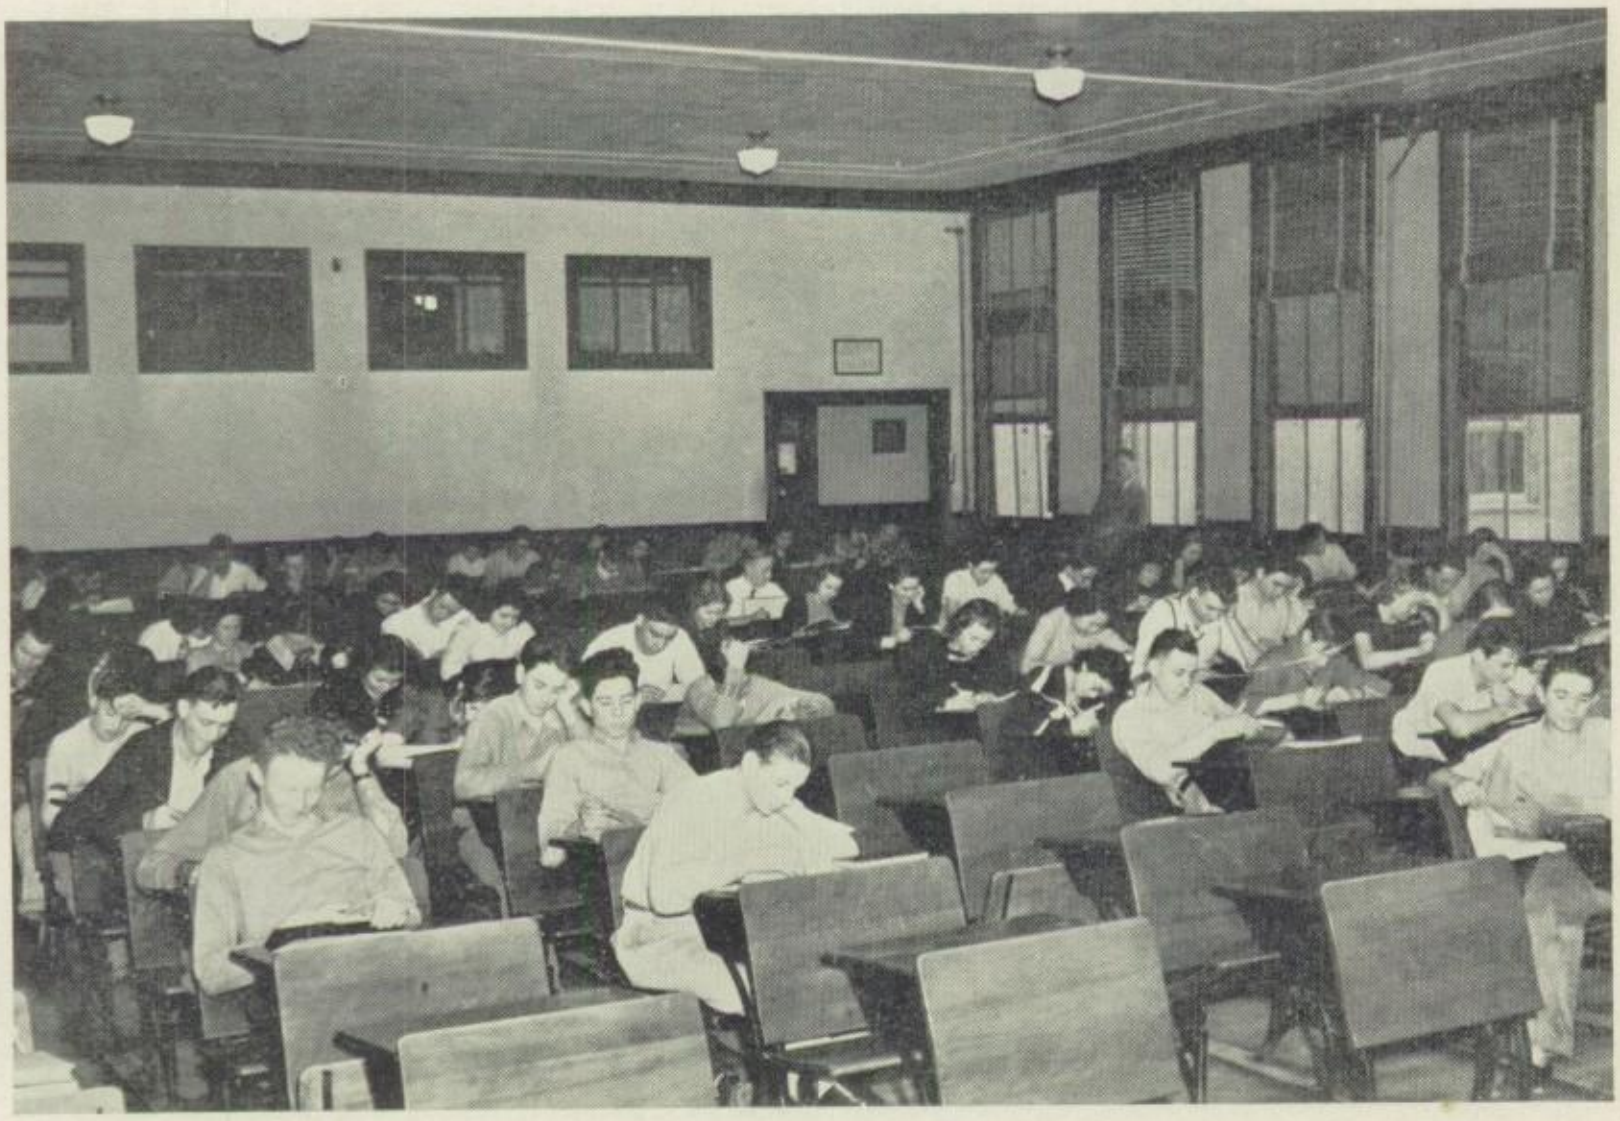
Officers who served during the term were: Norman Toft, president; Otie McCain, vice president; Lorraine Saunders, secretary; Ellen Partridge, treasurer; Ed McFaddin, annual representative.







Under Classmen



Sophomores

President Dick Miles
Vice President Charles Beach

Top Row—J. Madraso, A. Spoon, W. Wilson, V. Hendrix, S. Larson, A. Lattin, R. Waller, G. Alberson, B. Blair.

Second Row — H. Hanford, V. Bruner, G. Freeman, D. Short, H. Weaver, J. Hoar, N. Testolin, P. Hare.

Bottom Row—C. Ponte, E. Babb, M. Downs, V. Warr, B. Farrel, V. Martin, T. Sherman, M. Teggart.

AS UNDERCLASSMEN the sophomores this year have done their share toward making Churchill County High School burst out in flying colors.

As athletes go, Charles Beach made the first string in football and his Block F, and Idamarie Lappat played the ninety minutes of interscholastic basketball required to be awarded a Block F. Margaret Summerbell, Helen Handford, and Molly Downs were also members of the basketball team. Russel Wilbur and Stephen Teggart both made four-inch Block F's for "B" string basketball.

Not only in athletics but in other activities as well, the sophomores have distinguished themselves. Thais Ann Sherman was an active member of Forum and also a member of the debate team which went to Lovelock.

As for scholarship, the sophomores placed again. Thais Ann Sherman,

Top Row—K. Kent, C. Beach, E. Holmer, E. Alworth, R. Wright, E. Murphy, W. Woodward, T. Hay.
Second Row—H. Peck, F. Cunningham, R. Wilbur, R. Hay, A. Boulding, A. Miller, L. Freeman, R. Short, E. Pereira.
Third Row—H. Holliday, B. Harris, S. Peraldo, R. Emery, A. Boden, J. Gamble, C. Howser, E. Faupell, S. Teggart, M. Kolhoss.
Fourth Row—E. Brite, V. Kennedy, I. Lappat, J. Gabiola, L. Sutton, N. Boyd, J. Hall, F. Hancock, H. Sasaki.
Bottom Row—M. Aguirre, E. Davis, M. Summerbell, L. Nicolay, A. Marker, H. Copple, N. Mobley, V. Hendrix, M. Lehman, C. Chico.

Sophomores

Matilda Teggart, Eleanor Babb, Virginia Warr and Idamarie Lappat were all members of Alpha Lambda, honorary society.

The band, as well, was composed of a number of sophomores, since Munsey Kolhoss, Franklin Wilson, Abe Boulding, Tom Hay, Charles Beach and Ernest Holmer all played in the band.

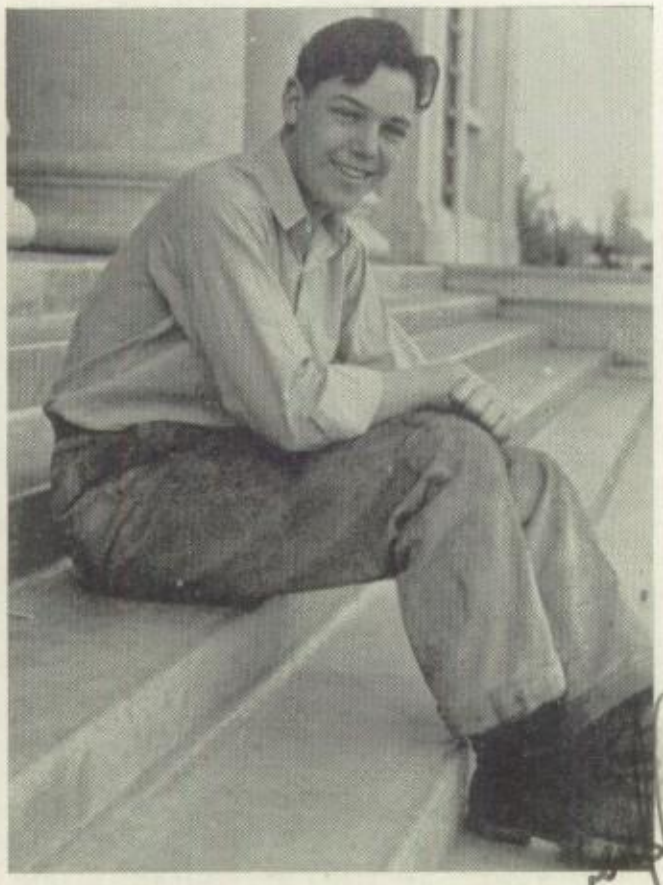
The annual soph hop was a big event of the year, and very successful. It was given Friday, May 6.

The sophomore class has a record of which they can be proud.

Officers were: Dick Miles, president; Charles Beach, vice president; Lorraine Kendrick, secretary; Margaret Summerbell, treasurer; Patty Crehore, annual representative.

Margaret Summerbell, Treasurer
Lorraine Kendrick, Secretary

Freshmen



Warren Hursh, President

AS FIRST-YEAR students we did our best to let everyone know we were present and to add our bit to the student body.

Soon after Thanksgiving, the upperclassmen and sophomores gave us a party. Cider and doughnuts were served for refreshments. Almost everyone turned out, since the dance came in the interim between football and basketball season.

As athletes go, Billy Steve, a freshman, made first string and his letter in football and basketball also.

The drum major, Warren Hursh,

Top Row—C. Lima, R. Erb, L. Myers, D. Chapman, J. Gough, A. Casey, R. Getto, H. Coverston, C. Coverston, W. Hursh, T. Smales, A. Copple, B. Steve, R. Nygren, B. Richards.

Second Row—H. Kane, W. Davis, J. Solaegui, E. Holt, G. Rice, L. Hubbard, A. Johnson, B. Bowers, B. Giblin, D. Weaver, G. Mills, J. Shannon, H. Souza, K. Weishaupt.

Third Row—L. Joubert, Y. Ito, B. Schaffer, M. Armas, D. Halsey, C. Hewitt, I. Johnson, H. Lewis, V. Gear, P. Baumann, L. Perry, A. Jensen, F. Taylor, G. Solaegui, A. Graham.

Bottom Row——J. Aguirre, E. Williams, B. Trigeuiro, M. Serles, B. Weaver, L. Hiatt, I. Saval, J. Bailey, M. Carlson, N. Downs, M. Reynolds, M. Cunningham, M. Kito, B. Jones.

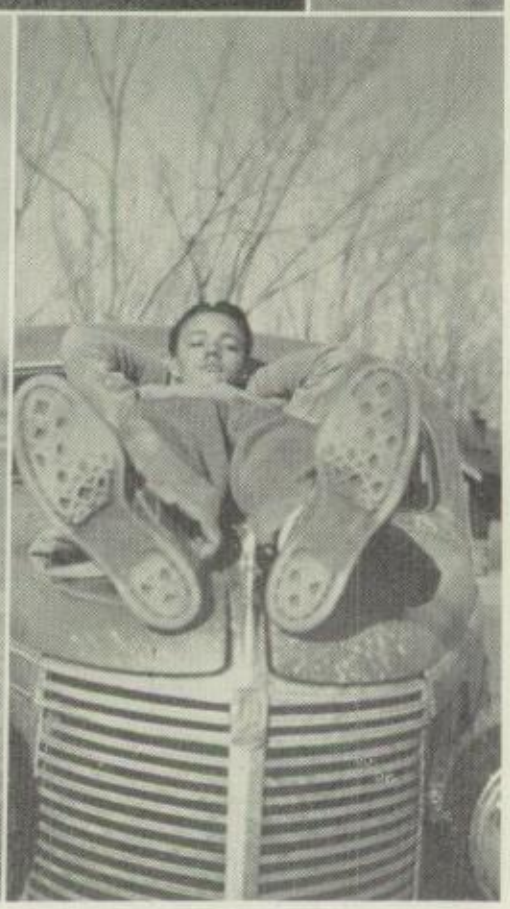
Top Row—R. Alworth, R. Marsh, F. Erb, B. Schneider, W. Mathewson, Bob Schneider, D. Renfro, J. Degenar, B. Boden.
Second Row—C. Covell, N. Copenhaver, C. Prouty, A. Bell, S. Revely, J. Littlefair, R. Smales.
Bottom Row—H. Parker, U. Clark, I. Lappat, A. Solay, B. Holmer, R. Phillips, F. McLeod.

Freshmen

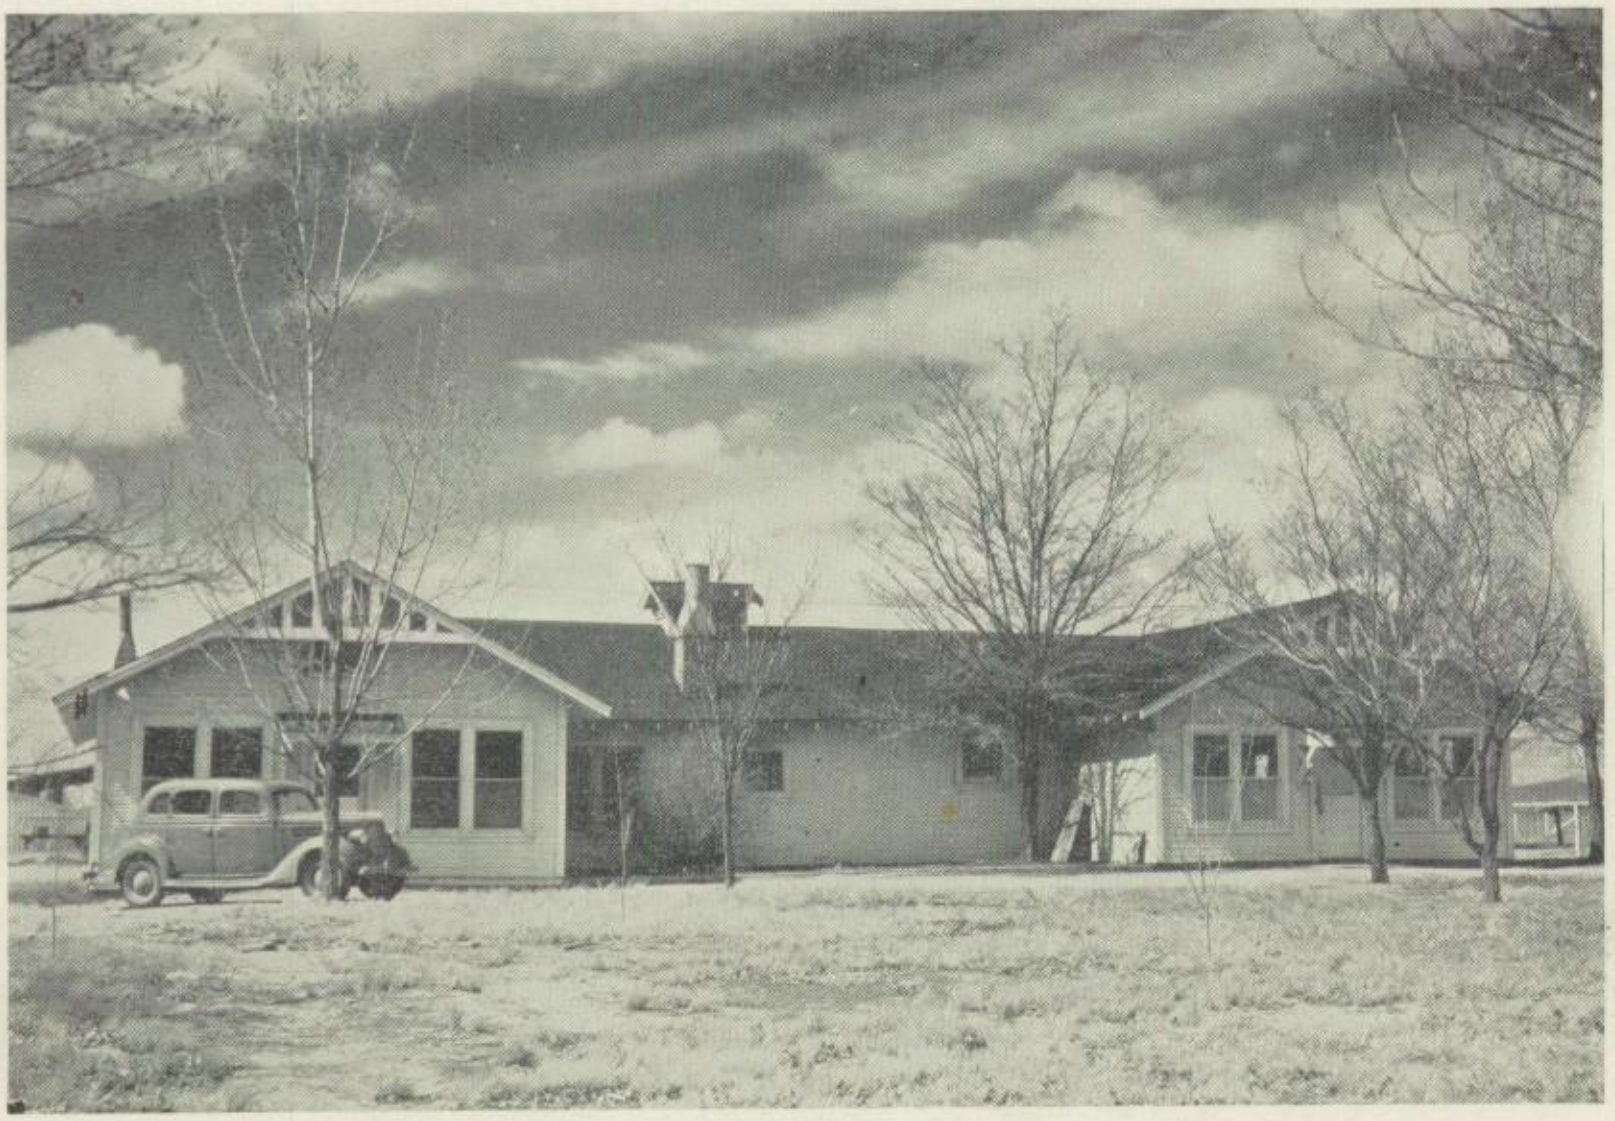
and one of the drum majoresses, Molly Downs, were freshmen. These two students were active at all football and basketball games, in addition to many public appearances and at student body meetings. Several band members were freshmen too. The orchestra was greatly increased in size by the freshmen who enrolled it in.

Officers for the year were: Warren Hursh, president; Molly Downs, secretary, and Irene Saval, treasurer. Warren Hursh as vice president became president of the class when Virginia Hubbard failed to return to school after a serious appendectomy.

Treasurer Irene Saval
Secretary Molly Downs



Organizations



Top Row—J. Cooke, H. Coverston, N. Mobley, I. Lappat, H. Knobloch, L. Harriman, L. Dooley.
Second Row—G. Wemple, J. Cooke, M. Madieros, V. Pflum, E. Brite, J. Bailey, D. Mason, B. Woodward, V. Sherwood, L. Kendrick.
Bottom Row—C. Ludwick, E. Babb, I. Saval, N. Downs, K. Winder, R. Albee, T. Sherman, M. Teggart, P. Crehore.

Alpha Lambda

ALPHA LAMBDA is the girls' honorary society of Churchill County High School. To obtain membership in this society an "A–" average in four major subjects for one semester is required.

For several years the Alpha Lambda took no great part in school activities. This year, however, it has been one of the liveliest groups in school. The meetings were held in the various homes with a different country used as a theme. Committees were appointed in charge of refreshments and games to correspond with it. A guest speaker was invited each time to report on the country. Countries reported on were China, France, Mexico, Spain, Ireland, Holland. During the year, theatre parties, a hay ride, a Christmas party, and weiner roast were enjoyed by the girls. An Alpha Lambda dance was given in March.

The girls showed their cooperation with the school by purchasing a flag for the school band, which is displayed at every exhibition.

Officers who served during the year were: first semester—Raylyn Albee, president; Katherine Winder, vice president; Vivian Sherwood, secretary; Lorraine Kendrick, treasurer; Patty Crehore, historian; Eleanor Babb, sergeant-at-arms; second semester—Vivian Sherwood, president; Idamarie Lappat, vice president; Katherine Winder, secretary; Patty Crehore, treasurer; Betty Woodward, historian; Rosemary Hoar, sergeant-at-arms. Miss Helen Coverston is leader of the group.

Band

THE SECOND YEAR in existence, the Churchill County High School band has made itself the pride and joy of the student body. It has more than doubled its original size and the various instruments it has added has made it one of the finest bands in the state.

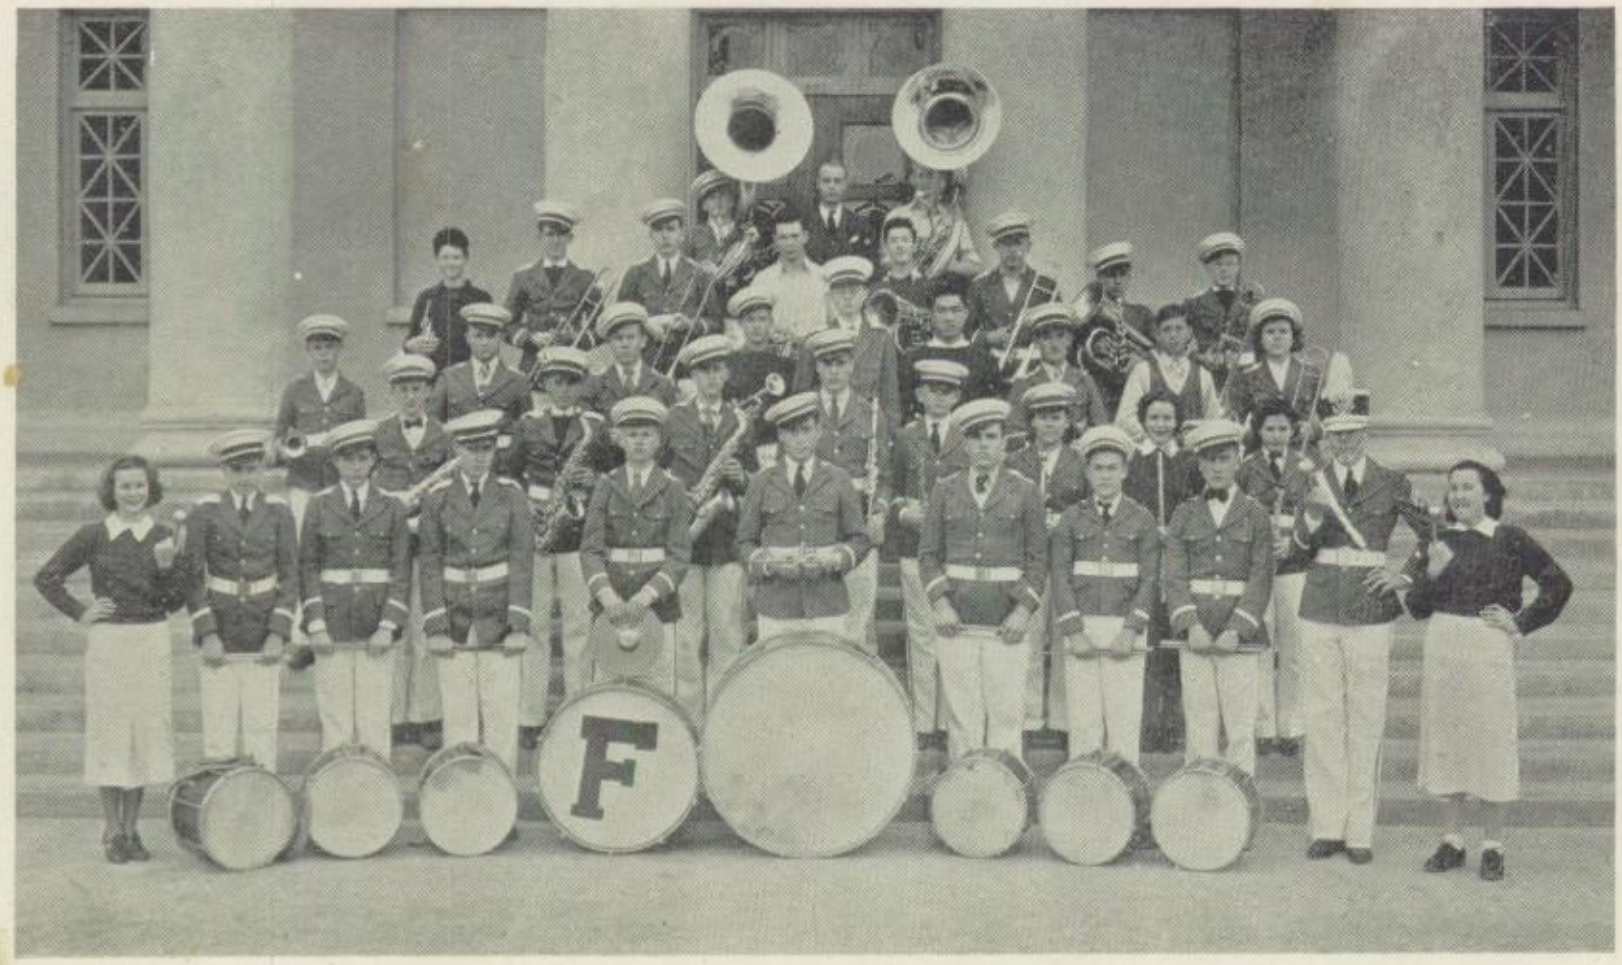
The trim green and white uniforms of the band members have made their appearances many times since the beginning of the first semester. The band has performed at all of the football games, generating pep for both the team and the rooters. It was present at all but two of the basketball games, playing lively pieces during the intermissions of quarters and half, keeping the team morale up at all times.

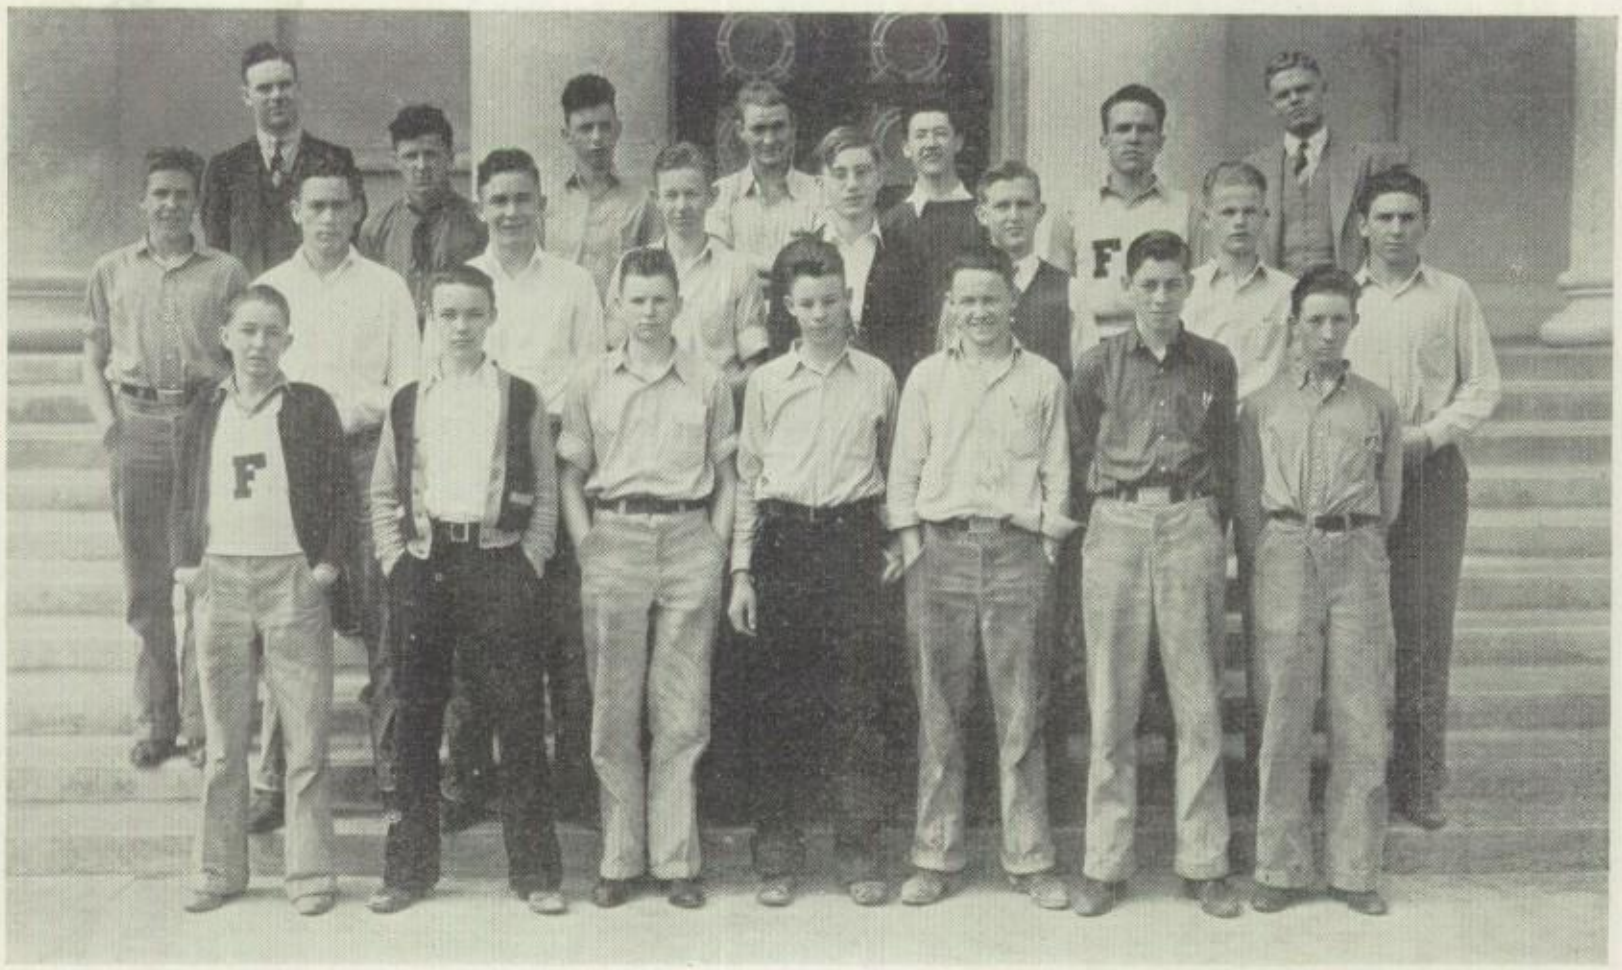
Not only a band, but a drum corps in connection with the band, has been organized this year under the direction of Mr. Herbert Peck with Warren Hursh as drum major.

The band gave a series of open air concerts every other Saturday night, beginning April 23, which was received with much enthusiasm.

The band has not only been a booster for Churchill County High School, but for the community as a whole.

Top Row—A. Boden, H. Peck, D. Mobley.
Second Row—W. Williams, G. Rushworth, F. Stiverson, F. Stewart, E. Williams, B. Waller, M. Harmon, C. Covell.
Third Row—A. Johnson, T. Hay, L. Danielson, W. Imus, B. Richards, R. Sorensen, B. Lattin, E. Holmer, C. Coverston, F. Wilson, T. Ito, M. Carlson, W. Cristani, B. Holmer, A. Boulding, I. Saval, R. Hoyt.
Bottom Row—C. Corn, B. Giblin, B. Harris, L. Crehore, R. Wilber, C. Beach, W. Baumann, M. Kolhoss, A. Spoon, W. Hursh, M. Downs.





Top Row—C. Senechal, S. Kopacz, D. Lattin, A. Guire, E. Williams, W. Baumann, R. Best.

Bottom Row—C. Beeghly, J. Hoar, F. Weaver, A. Mills, D. Miles, C. McKay, S. Teggart.

Boys' Four-Inch Block "F"

AS YET there is no definite organization to this society. The requirements to earn a four-inch Block F are the same as those to earn an eight-inch Block F, however, only those on the "B" string can earn their letter in basketball.

It is the hope of the school that in the coming year, under the guidance of the Block F Society, a strong new organization may come into being.

Block "F" Society

THE BLOCK F is an honorary society of the athletic organizations. The members of this society are those who have made their letters in either basketball, football, or track.

The purpose of this society is first, to create competition among the boys who go out for athletics; second, to give them the spirit and enthusiasm for athletics, and third, to learn the value of sportsmanship.

The last two years the boys have sponsored a Block F Follies, a farce put on by Block F members. The proceeds of this follies go to the payment of a doctor at all football and basketball games.

Officers this year were: Lloyd Downs, president; Tomomi Ito, vice president; Lloyd Miller, secretary-treasurer.

Commercial

EACH SPRING there is a commercial contest held in Reno. These contests include shorthand, typing and bookkeeping. This year in addition to the state contests, Churchill County High School sponsored its own contests in shorthand I and II, typing I and II and bookkeeping I and II. The awards for typing were ribbons and in shorthand two gold medals and two silver medals.

Winners in the typing II contest were: accuracy — Raylyn Albee, Gynith Wemple, Karl Armas, Barbara Paul; speed — Barbara Paul, Raylyn Albee, Ruth Lima, Gynith Wemple. Winners in the typing I contest were: accuracy—Eddie Viera, Carolyn Corn, Kathryn Winder, Annie Casey, Ellen Partridge; speed—Harriet Knobloch, Carolyn Corn, Jean Stewart, Eddie Viera, Kathryn Winder.

Winners in shorthand I: 70 words per minute — Harriet Knobloch, Barbara Paul, Ruth Lima; 60 words per minute — Virginia Brown, Raylyn Albee, Cleo Ludwick. Winners in shorthand II: Twyla Strong, Betty Woodward, Tomomi Ito.

Winners in bookkeeping I: Virginia Brown, Leora Nicolay, Merle Lehman. Winners in bookkeeping II: Donald Sanderson, Vivian Sherwood, Charlotte Miles.

From these were selected representatives to go to Reno in May, after the year book had gone to press.

Debate

DURING the year two debates were held with Lovelock. The first team representing Fallon high school was made up of William Prudler and Thais Ann Sherman. The debate was held in the high school auditorium and was won by Fallon. The return debate was lost to Lovelock, with Bill Lattin and Myra Inman on the home team.

Bill Lattin and William Prudler competed in the Forensic meet at the University of Nevada and returned with one win and two losses. Las Vegas and Reno triumphed over them and Sparks lost to them.

Future Farmers of America

THE FALLON CHAPTER of the Future Farmers of America is one of the most active in the state. At the state meet held in Reno this year, the Fallon boys came home with flying colors.

Ray Sorensen, vice president of the local organization, won first place in public speaking; Tony Erquiaga placed first in the identification contest with Leonard Smith, Dale Mobley and Alfred Mills placing second, third and fourth respectively.

The other two teams representing Churchill County High School were the stock judging and crop judging teams. Curtis Willard, Don Chapman, Wendell Imus and Tony Erquiaga composed the stock judging team, while the crop judging team consisted of Tony Erquiaga, Leonard Smith, Dale Mobley and Alfred Mills.

The highest honor an F.F.A. boy can earn is the State Farmer degree. This year Fallon had three boys who received this award. They were Tony Erquiaga, Dale Lawrence, and Robert Swope.

The boys study agriculture in all its phases, both experimentally and academically. Each boy has his own project to develop and record.

The officers of F.F.A. were: Ray Sorensen, president; Silvio Peraldo, vice president; Wendell Imus, secretary; Robert Swope, treasurer; Tony Erquiaga, reporter.

Forum

FORUM is an organization for the cultivation of correct speech and practice in expression of opinions in public. Much stress is placed on debating and speaking on present-day problems. Membership is open to all students who are enrolled in the high school. The Forum consisted of forty-two this year.

During the first semester the late State Superintendent of Education Chauncey W. Smith visited the Forum at one of its regular meetings.

During the second semester, the Veterans of Foreign Wars presented the Churchill County High School band with a flag. This presentation was made at one of the meetings of the Forum with Miss Mildred E. Bray present at the presentation.

In the latter part of March, Bill Lattin and William Prudler represented Churchill County High School at the State Forensic Tournament at the University of Nevada. They returned home with two losses and one win. Las Vegas and Reno triumphed over them and Sparks lost to them.

Officers who served during the term were: first semester—Bill Lattin, president; Anna Piazza, vice president; Myra Inman, secretary; Don Bowers, treasurer; second semester—Rosemary Hoar, president; Warren Hursh, vice president; Carolyn Corn, secretary; Robert Giblin, treasurer.

Top Row—T. Kent, B. Lattin, F. Stewart, W. Hursh, C. Coverston, C. Willard, J. Allison, D. Lattin, W. Emery, K. Kent.

Top Row—S. Larson.
Second Row—M. Madsen, M. Inman, I. Lappat, K. Winder.
Bottom Row—A. Casey, C. Ludwick, R. Madsen.

Girls' Block "F"

THE ONLY athletic honorary group for girls in Churchill County High School is the Girls' Block F Society. It is composed of girls who have played ninety minutes of interscholastic basketball.

The group this year has been increased by quite a number. There were only two letter girls remaining from last year's team, Roma Madsen and Cleo Ludwick. However, Kathryn Winder, Marjorie Madsen, Myra Inman, Idamarie Lappat and Annie Casey made their letters this year. All of these girls will be back next year with the exception of Roma Madsen who is a senior.

Officers of Girls' Block F were: Cleo Ludwick, president; Myra Inman, secretary; Roma Madsen, captain; Miss Stella Larson, coach.

Glee Club

ONE of the most worthwhile groups in the high school the past year has been the High School Glee Club. Under the direction of F. Dean Moore, the club has made several school appearances and it also gave several selections for the Townsend Club in December.

This group is composed of twenty-five girls divided into altos and sopranos. The group rehearses twice weekly and has made rapid strides into being a first class glee club.

The Glee Club also rendered several selections at the graduation in June.

Top Row—L. Serles, L. Nicolay, M. Serles, C. Boulding, J. Bailey, E. Williams, T. Strong, L. Sutton, W. Jones, N. Downs, B. Cunningham, D. Hafen.

Top Row—B. Lattin, A. Guire, N. Toft, R. Sorensen.
Second Row—J. Brimhall, L. Danielson, E. Jesch, F. Porteous.
Bottom Roy—R. Hoar, I. MacGillivray, E. Saunders.

High View Staff

FOR THE first time in several years, the Churchill County High School has had a school paper. This paper, The High View, did not elect an editor to serve for an entire term. Instead a variety of students were given an opportunity to display their skill. An editor was chosen once a month with associates to help. Under the direction of Miss Inez MacGillivray the paper gained the enthusiasm of the whole student body.

The paper made its appearance once a month with the news of interest to the school well written up. This news coupled with reports of the various organizations in the school made it a paper to be proud of.

Vocational Home Arts

THIS year marked the first year of Vocational Training in our High School. The girls were taught cooking, style, child care, use of budgets, and the worth of a pleasing personality.

A Fireside Circle Club was organized and called The Lahontan Arc. All girls taking Vocational Training became members. Other girls who had received one year of Home Arts and wished to join were admitted. The girls gave a school program on Lincoln's birthday, and also entertained the F.F.A. boys at a social party. The girls displayed their skill in cooking and decorating by serving the annual F.F.A. banquet. This year it was a mother and son banquet. In addition to their many other activities this year, the girls had one pie sale, cake sale, candy sale, and also a sale of chicken soup. This money was to pay for the girls' admittance to the Home Economics meet in Reno.

On May 20 the girls went to Reno to bring home honorary mention for the high school in their splendid demonstrations and their part in the style shows.

We give high honor to the Lahontan Arc for a very splendid and worthwhile year.

Top Row—E. Harris, G. Smith, E. Partridge.

Bottom Row—H. Knobloch, V. Pflum, M. Madieros, V. Warr, V. Sherwood, L. Kendrick.

Old English "F"

STUDENTS who have earned special distinction in scholarship or inter-scholastic competition are eligible for membership in Old English "F."

A grade of not less than "A" in four major subjects for one semester is sufficient to be awarded an Old English "F." A student who earns first, second, or third place in state public speaking contests, dramatics, debating tournaments, shorthand and typing contests, or Future Farmer meets is also awarded an Old English "F."

Orchestra

THE High School Orchestra has increased in size a great deal this year. The enrollment last year was only thirteen, but this year there was an enrollment of twenty-four. This includes six violins, one viola, one cello, one string bass, five clarinets, one saxophone, two coronets, one mellophone, three trombones, one flute, and one piano.

The orchestra rendered several selections at the school assemblies. Miss Cousie Coverston is director of the group.

Top Row—W. Williams, B. Danielson, D. Bowers, T. Hay, E. Holmer, F. Wilson, C. Covell, B. Giblin, B. Richards.

Bottom Row—J. Bailey, E. Williams, I. Saval, N. Downs, R. Hoyt, I. Lappat, G. Carlson, B. Holmer, R. Phillips, M. Carlson, H. Sasaki.

Vocational Guidance

Taken from "The Vocational Education Program in the C.C.H.S." by George E. McCracken

THE COURSE in vocational guidance is optional to any student who may care to make a brief survey of the various occupations. The aim of the course is to equip him with a fund of vocational information. Jobs are studied, and the advantage and disadvantages of each type of employment are gone into, and conclusions drawn.

This semester almost fifty students enrolled in this class taught by the principal. Students recite five times each week in periods of forty minutes. Voluminous reading is required. A text on vocations is followed in class. One unit credit is given for a year's work.

The course in vocational education is for seniors only. This course provides the means of getting practical instruction in the various lines of occupation.

Courses required for graduation were provided in the morning. The class was excused in the afternoon to report to private firms in Fallon for practical instruction. A minimum of two hours daily must be spent in the business. Most students spend four. Credit is the same provided the minimum is observed.

Absences from work are reported the same as absences from class. Students who are not serious are withdrawn and returned to high school class work. Thus far, none have come back. This vocational group is given a check-up and a lecture occasionally each morning.

They must be carefully watched and employers must be frequently contacted and inquiry made as to what the school may do to

1. George E. McCracken, Director.
2. Rosemary Hoar, Western Union.
3. Marvin Weishaupt, Fallon Garage.

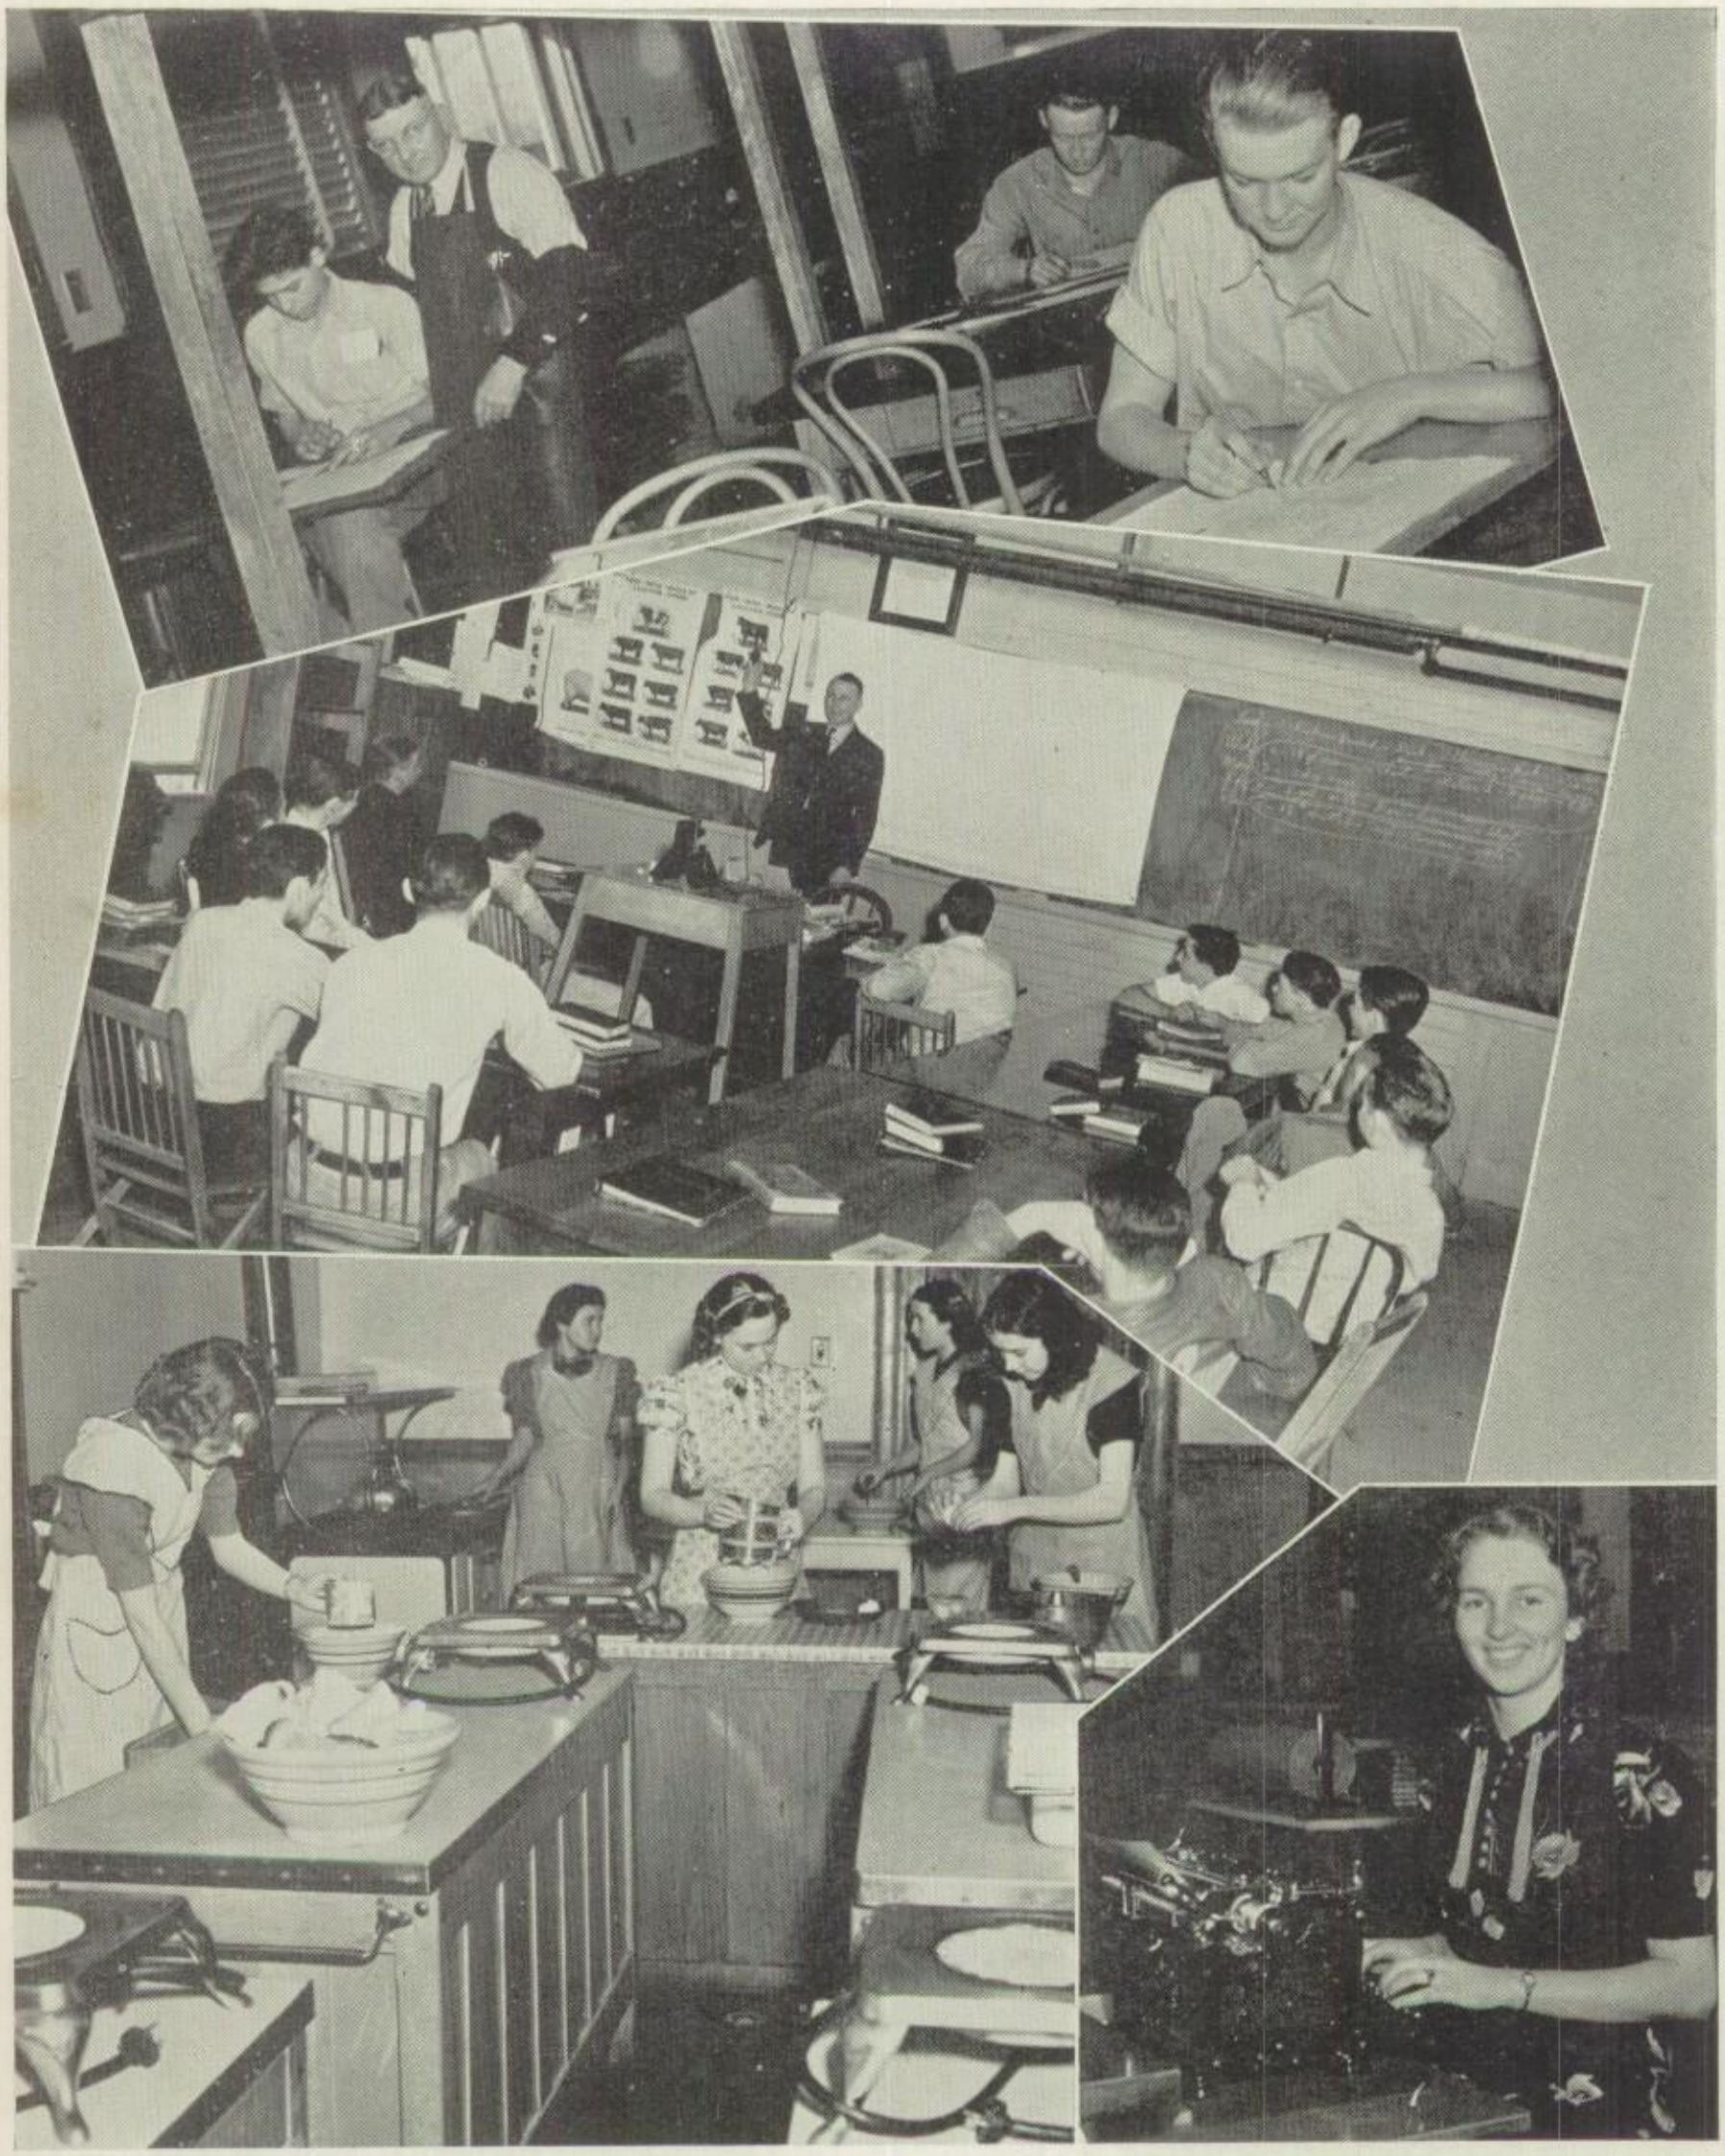
make the students more acceptable, and correct habits not in line with good business. No salary is paid these students by the merchants. They receive high school credit toward graduation. That is their reward, aside from learning the business.

The point is, that students about to leave school and find a place in the business of life are gradually "eased out" of the academic and into the practical. When they graduate they have a little experience in practical vocations. They have something to offer an employer.

Here is the way they are distributed at the present time: Nine are placed in garages and machine shops to learn to become mechanics. One wanted to become a butcher, so he is taking his training under an experienced man in a local market. One young lady is training in a beauty parlor. Two are learning the drug business with the object of later taking examinations in pharmacy. Two other senior girls are learning telegraphy at Western Union. One is with the wire chief of the local telephone company learning the telephone business. Two other girls are doing bookkeeping, lulling and stenographic work in large mercantile houses.

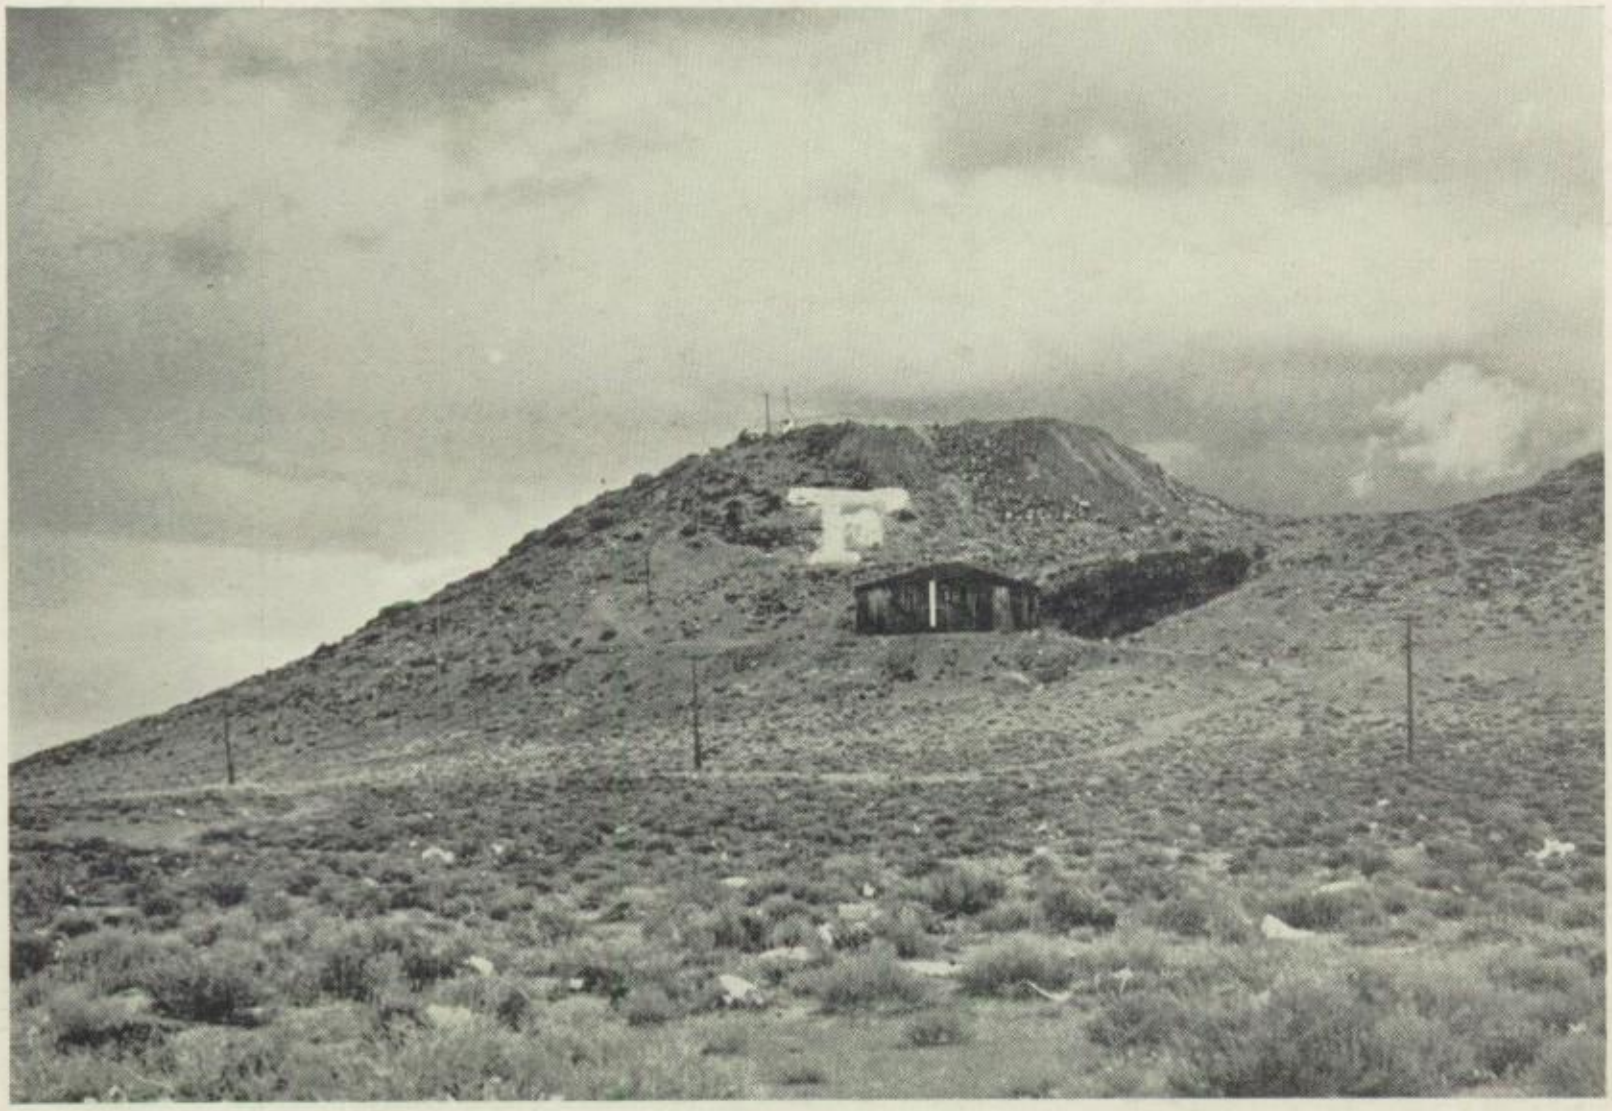
It is one thing in education to run all pupils through the mill regardless of their individual heritage and turn them loose to shift for themselves at graduation; it is another thing to try to make some kind of scientific evaluation of their abilities, to show them the road they should take and help them get started along it.

1. Lois Williams in Morris & Loring Drug Store.
2. Howard Conner, Dodge Construction.
3. Georgia Temple, in Parisian Beauty Parlor.



1. Allen Guire and Lawrence Faupell get some instruction in mechanical drawing.
2. Mr. Schank holds an interesting Ag. class.
3. Home arts cooks make a good beginning.
4. The "secretary" gives us a smile.

Sports



C. Ludwick, A. Spoon, R. Hoar

Yell Leaders

EVERY SCHOOL must have lots of school spirit if it intends to be successful in any of its activities. This year the three yell leaders, Rosemary Hoar, Cleo Ludwick and Allen Spoon, did wonderfully well in pepping up the student body. At every assembly, every football and basketball game, they were eager to lead the rooters in vigorous yells.

Top Row — H. Holliday, R. Bowers, R. Boden, W. Cristani, T. Smales, L. Miller, C. Willard, W. Baumann, A. Copple, F. Anderson, T. Kent, M. Barrenchea, B. Steve, D. Chapman, H. Conner, C. Senechal.

Bottom Row — D. Robertson, D. Miles, G. Serles, B. Prudler, D. Spoon, A. Guire, R. Berney, B. Lovelady, B. Lattin, I. Inman, C. Beach, L. Downs, M. Dodge, H. Peck.

Football

OCTOBER 2 — The first game of the season was played against Reno on their field. Fallon put up a fight but couldn't get away from the powerful Reno team. Score 20 to 0.

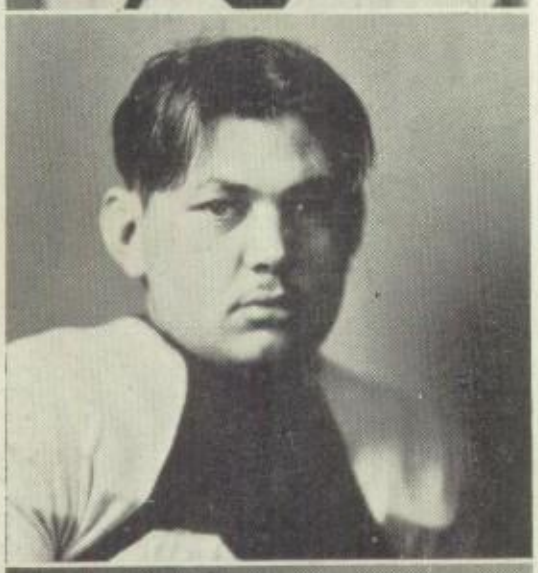
October 9 — Fallon went to Gardnerville with high hopes, anticipating an easy victory. The tables were turned, however, and in the few minutes it took the Fallon boys to get going, Gardnerville made 13 points. The game ended 13 to 6 in Gardnerville's favor.

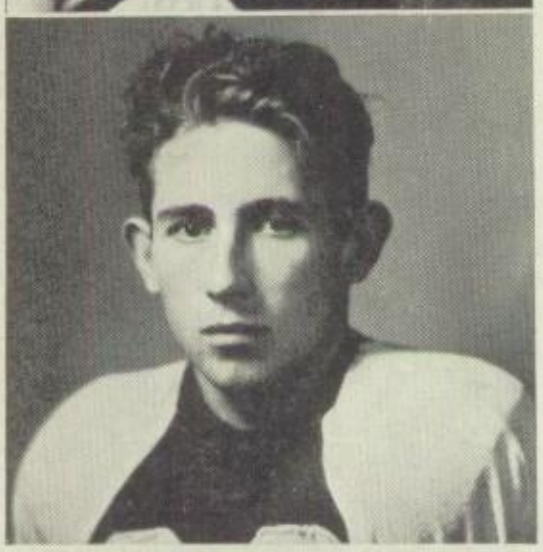
October 16 — With last year's game still in mind, Fallon and Susanville tied into each other, playing good ball as the final score proved. The game ended 0 to 0.

October 23 — Fallon woke up at last when she met the Bucks. The Bucks played a good game but couldn't stop the Green Wave. Score: Fallon 12, Stewart 0.

October 30 — This was another one of those tough games with Yerington giving Fallon more than a workout. Lovelady, one of Fallon's mainstays, was knocked out and the game finished with an 18 to 0 score for Yerington.

"Chuck" Beach





November 6 — Fallon played Sparks on the home quad and gave the Sparks boys a good beating. The Green Wave, with a few good rooters behind them, simply couldn't be stopped. All the boys had a turn in the game and the score ended Fallon 38, Sparks 6.

November 13 — Fallon wrought revenge on Ely for last year's break. Ely got an unexpected setback when Fallon made two goals. Score 13 to 7.

November 20 — The Reno Huskies just wouldn't be stopped this game. They seized the old pig skin and played Yankee Doodle across the goal line to the tune of 42 to 0.

The future of next year's team looks the brightest that it has looked in years. With Coaches Peck and Senechal devoting most of their time this year to the second string, the material for next year will probably get into shape without the trouble that usually goes to making a first class football squad.

Several of the first stringers did graduate but out of the 18 letter men there will be enough material to make, with a

Football

little work, one of the best football teams Fallon has had in recent years.

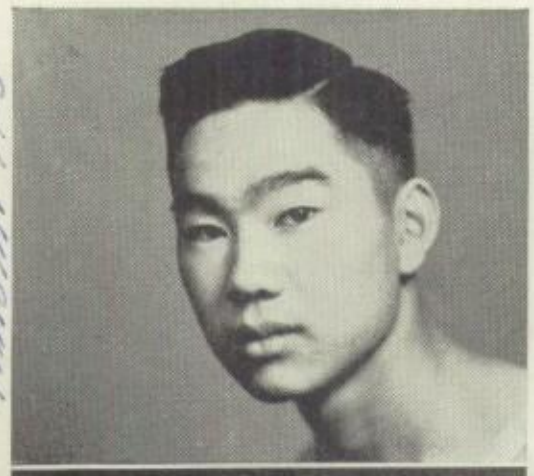
Lovelady, the boy who played left end this year, was elected captain and will be back next year to knock heads and give the other teams all of the misery that he can. Baumann and Barrenchea will be back again next year to fill in the guard positions and Hassard will probably get his bulky frame in the center position. Willard will probably have his tall carcass and big feet in the tackle position, which he seemed to play with a great deal of enthusiasm and effectiveness this year.

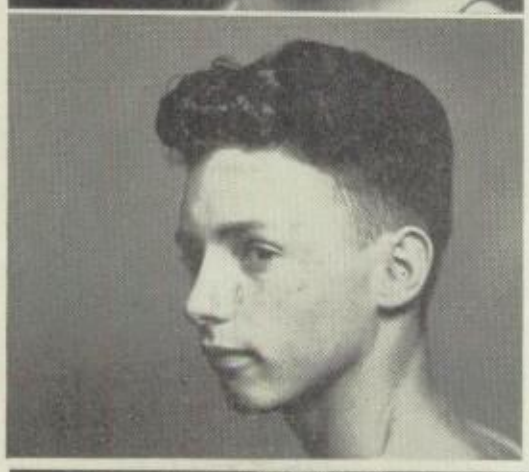
Beach, Steve and Dodge will probably carry on in the backfield with the help of several of the boys who were out for the first time this year.

There will be in addition to these letter men some of the boys who were out this year but didn't make the first team, but who will probably be excellent material next year.

With a good field and plenty of good material at hand the coach, whoever he may be, will have a chance for a good start.

Boys' Basketball





TOMOMI ITO
BILL LATTIN
DICK LATTIN

FALLON opened the 1937-38 season with a bang. The game, which was against Stewart, was Fallon's with a 33 to 24 score. MacDonald was high point man for Fallon with 14 points and Trillius for Stewart with 11 points.

Fallon suffered a set-back during the second game when Sparks defeated us 19 to 18. Spoon played a good game for Fallon and was high point man with 6 points, while Kearney was high for Sparks with 7 points.

After losing the game the night before, a determined Fallon team drubbed the Hawthorne boys with a 29 to 24 score. MacDonald was again high point man with 11 points to his credit. Bernreuter was Hawthorne's high point man with 14.

Fallon put the skids under a hard-fighting Yerington team, defeating them

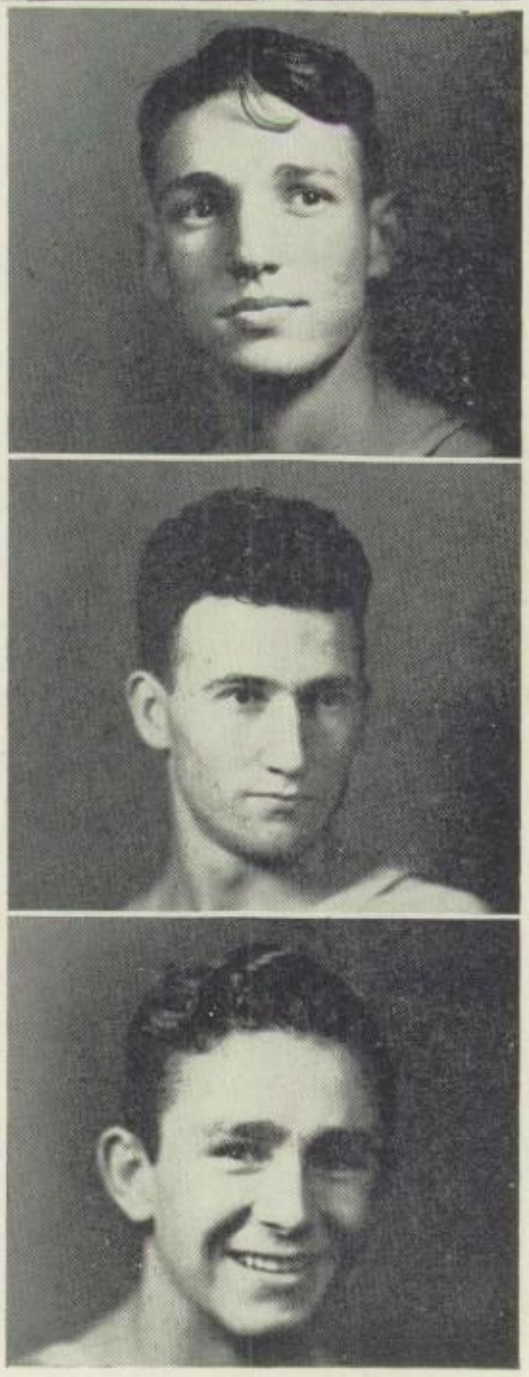
Basketball

in a close contest. The score was 21 to 19. With 10 points to his name, MacDonald was high point man again, while Scatena of Yerington had 6.

With a 25 to 10 score in her favor, Fallon nearly went to town against Lovelock. The second team played a couple of quarters. MacDonald and Lovelady were high point with 11 and 6 points to their respective scores. Gottschalk was high for Lovelock with 5 points.

Reno took Fallon down a notch or two the next game. Fallon couldn't get near the basket and the final score was 28 to 15 in Reno's favor. Seaborn for Reno was high with 12 points to his credit. Lovelady followed with 5. This was the last game MacDonald played for Fallon and the team lost a mighty good player in him.

The next game Fallon suffered another set-back. Sparks beat by 3 points. Fallon couldn't seem to stop the Railroaders.



BOB LOVELADY
LLOYD MILLER
DAVID SPOON

JIM ALLISON
ALLEN GUIRE
IRA INMAN

The game was a fast one, with Miller high point man with 8 points to his credit, and Cremer of Sparks second with 6 points. The final score was 19 to 16 in Sparks' favor.

Those Bucks gave Fallon the worst beating of the year. In the lead at the end of each quarter, Stewart wound up with 27 against Fallon's 11. Trilluis was high for Stewart with 13 points and Ito of Fallon second with 7.

Fallon made a come-back against Winnemucca, beating the apparently weak team 24 to 8. Lovelady was high point man with 9 points and Mentaberry was high for Winnemucca with 3 points.

Fallon beat the scrapping Dayton basketeers 20 to 15. The game was a good, fast one with Lovelady high point man at 8 points and Ricci for Dayton with 4.

The U. Frosh got the usual practice game with Fallon, beating by a margin of

Basketball

4 points. The Fallon boys showed the strain of a large floor and the final score was 27 to 23 in favor of the Frosh.

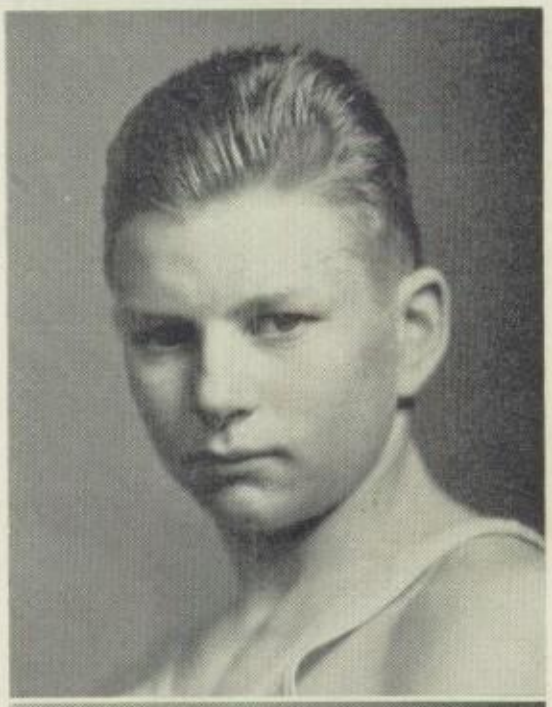
Fallon really worked Lovelock over when she beat them by a 46 to 17 score, sinking baskets from all over the floor. Ito was high with 10 points and Gottschalk next with 7.

The next night Fallon defeated Yerington 28 to 20 on Yerington's own court. Dick Lattin was high point man, running up 10 points, while Scatena netted 8 for Yerington.

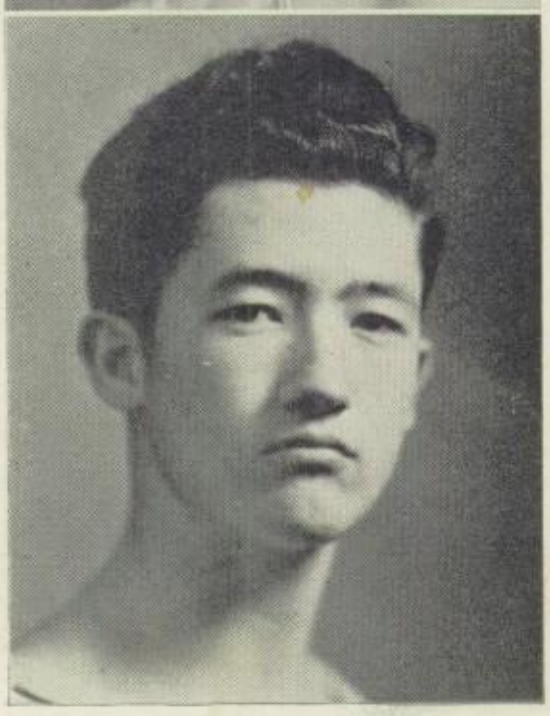
In a poor game of ball on both sides, Fallon beat Gardnerville 38 to 22, with Allison high man at 10 points and Luhrs from Gardnerville next with 6.

The surprise of the season fell on February 26 when Fallon beat the Reno Huskies 27 to 21. It was a hard, fast game with Paille of Reno netting 12 points and Allison of Fallon 7.

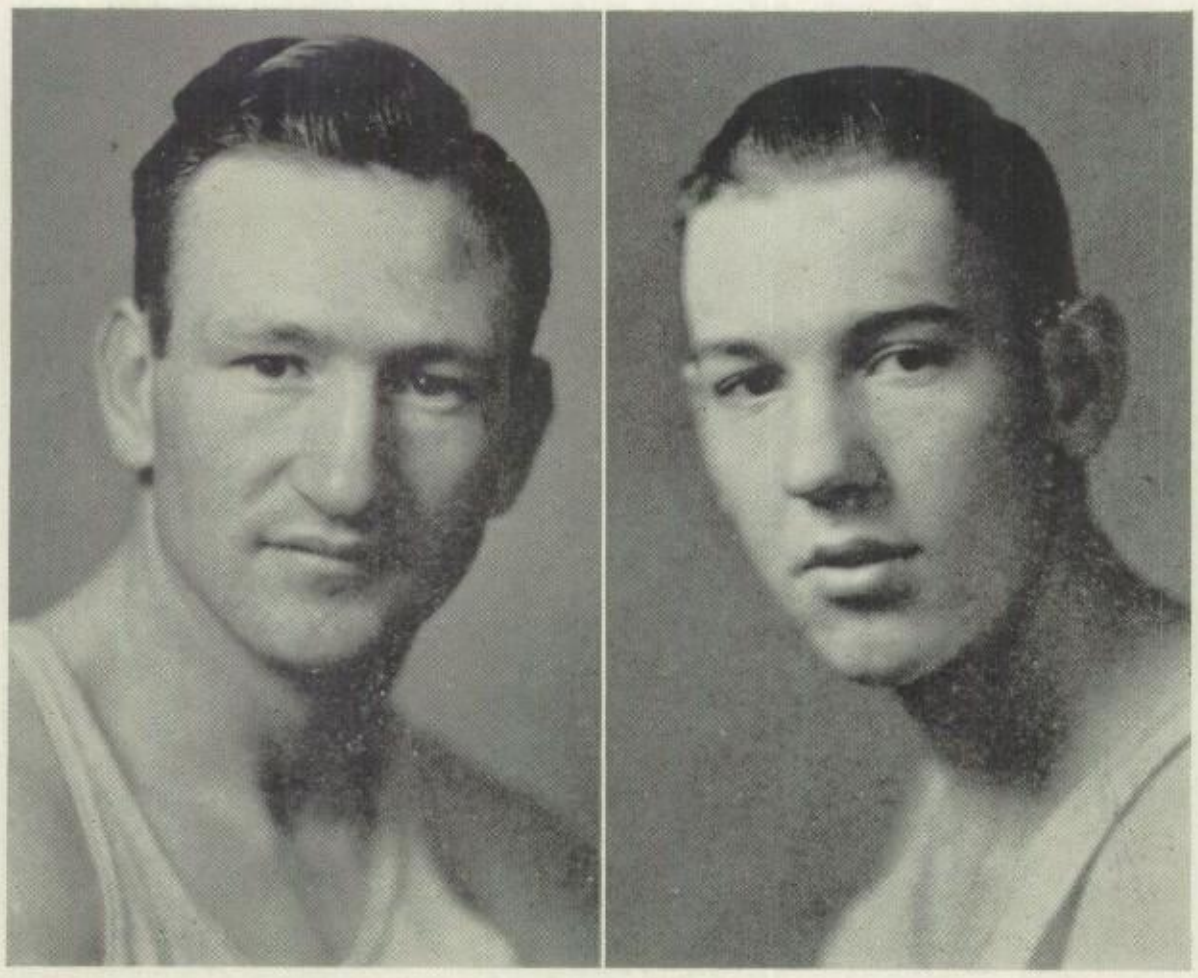
(Continued on next page)



F. WEAVER



E. WILLIAMS



G. SERLES T. KENT

Track

THE ADDED ATTRACTION of green grass and the new track seems to draw more boys out each year.

Two of last year's men are working out again this year. Tom Kent looks as if he may stretch the fourth place in the mile which he held last year up to first this time. George Serles can still spring a pretty good 100 yards too.

With the Fallon 20-30 Club applying cinders to the track this summer, Churchill County High School may look forward to holding a state meet here in the near future.

Basketball

(Continued from Page 71)

Fallon again beat Winnemucca in a slow game of poorly played ball on both sides. Final score was 18 to 14.

In the first conference game Fallon had the misfortune to draw the Bucks. The game was a "dinger" from the first. Holding the lead in the first three quarters, Fallon dropped down in the last quarter. Things grew worse as the boys fouled and the Bucks picked up, sinking a basket in the last minute and defeating Fallon. This put the boys out of running for the rest of the year.

Girls' Basketball

THE first game of the season was with Wadsworth on the Wadsworth floor. The game seemed to be a very easy one, although the girls were working pretty hard. Fallon won the game with Roma Madsen as high point girl, making 23 out of the 30 points. The score was 30 to 19 in favor of Fallon.

Fallon met defeat at the hands of Wadsworth in the return game on the home floor. The girls took it with a smile and resolved to do better the next time. The score was 11 to 19.

The third game of the season was the simplest game Fallon had played, with Fernley. The "B" team played most of the game. Coach Larson put every girl on the squad in and gave her a chance to play. The score was 50 to 3.

A. PIAZZA

Girls' Basketball

Last year's Goldfield game was returned this year at Fallon. They played a fine game and defeated Goldfield with a score of 37 to 14. Many of the substitutes were given an opportunity to play during this game.

Dayton defeated Fallon on the Dayton floor. The girls played well, one of their best games in the season, but to no avail. Roma Madsen and Idamarie Lappat were high point girls in the game. The score was 28 to 38 in favor of Dayton.

At the Dayton return game Fallon defeated Dayton with a score of 28 to 21. The game wasn't quite as exciting as the first game with Dayton as the girls had played a hard game the previous evening and were more or less fatigued. They worked hard, though, and brought home the bacon.

In the previous games Coach Larson had been appointing a captain for the game, but the girls voted Roma Madsen to be their captain for the remainder of the season. She led the girls on to the Smith Valley floor, and they were to win again. The girls played an excellent game. It is said that the girls played their best game of the year over in Smith Valley. They played hard and defeated them with a score of 21 to 17. After the game the Smith Valley girls served the Fallon girls hot chocolate, sandwiches and cookies. Everyone really enjoyed themselves.

Fallon went to Fernley and were vic-

Girls' Basketball

torious once again. The first of the game was rather slow, but the second half they all put their shoulder to the wheel and worked, defeating the opposing team 26 to 11. After the game the Fernley team treated Fallon to hot chocolate and sandwiches.

Gardnerville came to Fallon to defeat them and they did. The score was 23 to 28. The game was fast and the girls were working hard, but to no avail. Gardnerville had a fast, big team with a lot more confidence than Fallon had.
